BIBLE SYNOPSIS

TrustedBooks *Have you ever listened to a sermon at church and felt overwhelmed because you did not understand the biblical references? Do you feel embarrassed because your kids seem to know more about the Bible than you do? Do you struggle to understand what certain books of the Bible are all about? If you answered yes to any of these questions, then Bible Synopsis is for you! Bible Synopsis is a "Reader's Digest" version of the Bible. Each chapter of the Bible is condensed into a clear and concise summary-no "thee's and thou's"-giving you "bottom-line," who-did-what type information. The book follows the same order as the books of the Bible, and includes helpful indexes at the end as well as a summary of important Bible characters. It can be used as an aid in personal or group Bible studies, and a complete CD with richly illustrated PowerPoint slides is available from Dr. Miller's website, Biblesynopsis.com. Bible Synopsis is a must read for anyone desiring to increase their understanding of the Bible. The Word will never be more succinct!*

SLAVE STEALERS

TRUE ACCOUNTS OF SLAVE RESCUES: THEN AND NOW

Follow two abolitionists who fought one of the most shockingly persistent evils of the world: human trafficking and sexual exploitation of slaves. Told in alternating chapters from perspectives spanning more than a century apart, read the riveting 19th century first-hand account of Harriet Jacobs and the modern-day eyewitness account of Timothy Ballard. Harriet Jacobs was an African-American, born into slavery in North Carolina in 1813. She thwarted the sexual advances of her master for years until she escaped and hid in the attic crawl space of her grandmother's house for seven years before

escaping north to freedom. She published an autobiography of her life, *Incidents in the Life of a Slave Girl*, which was one of the first open discussions about sexual abuse endured by slave women. She was an active abolitionist, associated with Frederick Douglass, and, during the Civil War, used her celebrity to raise money for black refugees. After the war, she worked to improve the conditions of newly-freed slaves. As a former Special Agent for the Department of Homeland Security who has seen the horrors and carnage of war, Timothy Ballard founded a modern-day "underground railroad" which has rescued hundreds of children from being fully enslaved, abused, or trafficked in third-world countries. His story includes the rescue and his eventual adoption of two young siblings--Mia and Marky, who were born in Haiti. Section 2 features the lives of five abolitionists, a mix of heroes from past to present, who call us to action and teach us life lessons based on their own experiences: Harriet Tubman--The "Conductor"; Abraham Lincoln--the "Great Emancipator"; Little Mia--the sister who saved her little brother; Guesno Mardy--the Haitian father who lost his son to slave traders; and Harriet Jacobs--a teacher for us all.
