## Bibliographie Mensuelle

### Digital Foundations

### Intro to Media Design with the Adobe Creative Suite

**Peachpit Press** *Fuses design fundamentals and software training into one cohesive book ! The only book to teach Bauhaus design principles alongside basic digital tools of Adobe's Creative Suite, including the recently released Adobe CS4 Addresses the growing trend of compressing design fundamentals and design software into the same course in universities and design trade schools. Lessons are timed to be used in 50-minute class sessions. Digital Foundations uses formal exercises of the Bauhaus to teach the Adobe Creative Suite. All students of digital design and production—whether learning in a classroom or on their own—need to understand the basic principles of design in order to implement them using current software. Far too often design is left out of books that teach software. Consequently, the design software training exercise is often a lost opportunity for visual learning. Digital Foundations reinvigorates software training by integrating Bauhaus design exercises into tutorials fusing design fundamentals and core Adobe Creative Suite methodologies. The result is a cohesive learning experience. Design topics and principles include: Composition; Symmetry and Asymmetry; Gestalt; Appropriation; The Bauhaus Basic Course Approach; Color Theory; The Grid; Scale, Hierarchy and Collage; Tonal Range; Elements of Motion. Digital Foundations is an AIGA Design Press book, published under Peachpit's New Riders imprint in partnership with AIGA, the professional association for design.*

## GREP in InDesign

**"O'Reilly Media, Inc."** Updated: August 2010. Author Peter Kahrel updated this Short Cut to cover InDesign CS5. Updated: November 2009. Author Peter Kahrel updated this Short Cut to address typos and reader comments. GREP (short for "General Regular-Expression Print") is a powerful tool that lets you use wildcards ("jokers") to search and replace text. InDesign's GREP implementation can be used for text and also for formatting codes, finding patterns in text as well as literal text. GREP moves beyond the restrictions that hampered earlier InDesign search features, but unfortunately it does have the reputation of being d.

## Authentic Managerial Leadership

**Xulon Press** Robert A. Orr lives a fulfilling life which began with his birth in Argentina, his boyhood and teenage years in Brazil, and his college education and pilot's training in Canada. He served as a trainer and pilot for seventeen years in Brazil and returned to Canada where he and his wife Adriana now live. With a passion, burden and commitment to address and meet the blatant need for authentic leadership and management training, Robert continues to teach and mentor Christian leaders and "leaders-in-the-making" around the world. Three of his objectives are: 1. Provide this resource material in many languages, 2. Make this resource tool widely available to Christian workers, missions, ministries and the Church, 3. Assist in meeting the crying need for a new, strong, youthful, motivated, energetic and visionary authentic managerial leadership characterized by godly principles and learned managerial skills. What a massive amount of research has gone into this very fine guide. I wish I could have had a copy of something like this 30 years ago! I trust that it is getting into the hands of a large number of leaders and managers in our Christian community who can certainly use the guidance and direction you supply. I was most pleased to note the number of times you quoted me and my writings in the manual. I'm complemented! I was pleased to note that it is being translated into other languages for leaders in other cultures. I trust that God will continue to use you and this type of training material to His glory for many years to come. (Dr. Ted W. Engstrom, President Emeritus, World Vision)
