GOD'S FEMINIST MOVEMENT

REDEFINING A "WOMAN'S PLACE" FROM A BIBLICAL PERSPECTIVE

Destiny Image Publishers Experience True Liberation by Seeing Your Beauty, Femininity, and Freedom From Heavens Point of View Has Christianity kept women trapped in the stone age? In many ways, yes; but this is not by Gods design. As society offers women opportunities to explore outer-space and govern nations, the church often stifles and limits them. The tide is changing, though. Amber Picotas Gods Feminist Movement is a new covenant manifesto calling

women to embrace their true identity in Christ and fulfill their destiny as revolutionaries who shape the course of history with the Kingdom of God. There is a powerful new feminist movement emerging in the body of Christ. Its not politically driven and its not being championed by an uprising of angry man-haters. Based on an intense study of Scripture, factoring in historical and contextual hermeneutics and original languages, Picota shares a practical, non-legalistic, and non-traditional (yet deeply Biblical) look at topics that women commonly face, such as: Dating and Modesty Female Leaders in the Church Submission in Marriage Beauty and Self-Image Celebrate the power and beauty of womanhood. God has given you permission to change the world by being you! Break off religious traditions that keep women trapped in old school legalism and move beyond Christian clichés that minimize a woman's true position in Christ!

THE LAWS AND SECRETS OF SUCCESS

DELVING DEEPER THAN YOU'VE BEEN TOLD BEFORE INTO THE MYSTERIES OF WHY SOME PEOPLE

ACCOMPLISH MORE THAN OTHERS, ARE HAPPIER, BETTER LIKED, AND YES, WEALTHIER

CreateSpace "The Laws and Secrets of Success" - recently published and already an Amazon bestseller - has quickly received stellar five star reviews from leading Amazon Hall of Fame Reviewers (among the top 100 reviewers on all of Amazon): "Very, very highly recommend this UNIQUE book, it is the best book regarding how to be successful that I have ever read." -Daisy S., TOP 10 AMAZON HALL OF FAME REVIEWER "The power of his intuitions is infectious." -Grady Harp, TOP 50 AMAZON HALL OF FAME REVIEWER "This is one of those books where you will want to underline something important on each page. This is one of the most important books I have read in 2013." -Rebecca of Amazon, TOP 100 AMAZON HALL OF FAME REVIEWER About this book: This book is written in the style of the great Napoleon Hill. Think about this: With all of the success books out there, why don't we have more successful people? Too many success books simply rehash conventional wisdom. The truly great success books, such as "Napoleon Hill's "Think and Grow Rich", instead enable life-changing success breakthroughs because they identify and describe in powerful detail the thinking patterns and principles of the world's most successful individuals. The only way to do this is to study the world's most successful individuals, as Napoleon Hill has done. And as I have done as well. For over two decades I have devoted myself to studying and interviewing the most successful individuals across varying fields, so that I could see and learn for myself the principles which set them apart in terms of their success. And that is what I share with you here. Get ready to throw out many of the things that you thought you knew about success! Let's start at the beginning with a simple truth. Success is hard. Very hard. Very very very very hard. We all know that, once we have had a little bit of experience and are honest with ourselves. We all want to be more successful, but let's face it, sometimes we just don't know how. It's because, as they say, "we don't know what we don't know". So we make the same mistakes over and over again (often without fully realizing it until later). And then we blame ourselves (or others) in regard to why things didn't turn out as we had hoped, or planned. It's this simple: If you want to increase your level of success, read this book. We all go through the same struggles. This book - simply but powerfully - is your instruction manual on how to overcome them. Read this book, and in 60 days you won't even recognize the person you used to be. And neither will your family and friends. This is the type of change that allows you to get the things you really want in life. The things previously outside your reach. The things you saw others gain and achieve, but never seemed to be able to get for yourself. That can change today. . We all know that a few better ideas can accelerate one's success substantially. Successful people take their better ideas and know how to leverage them further - and execute them better - than other people do. Once you understand the processes that successful people utilize to do this, you can very quickly

ramp up your own success as well. Everybody struggles. Successful people struggle just like unsuccessful people but they learn and use the success principles to overcome the difficulties in their lives to reach their goals. Success breeds confidence, making it easier over time. If you don't want to keep making the same mistakes over and over and over again, you need to understand and understand well what these success principles are. That is what this book provides to you.

EMPIRE

THE RISE AND DEMISE OF THE BRITISH WORLD ORDER AND THE LESSONS FOR GLOBAL POWER

Basic Books A bestselling historian shows how the British Empire created the modern world, in a book lauded as "a rattling good tale" (Wall Street Journal) and "popular history at its best" (Washington Post) The British Empire was the largest in all history: the nearest thing to global domination ever achieved. The world we know today is in large measure the product of Britain's Age of Empire. The global spread of capitalism, telecommunications, the English language, and institutions of representative government -- all these can be traced back to the extraordinary expansion of Britain's economy, population and culture from the seventeenth century until the mid-twentieth. On a vast and vividly colored canvas, Empire shows how the British Empire acted as midwife to modernity. Displaying the originality and rigor that have made Niall Ferguson one of the world's foremost historians, Empire is a dazzling tour de force -- a remarkable reappraisal of the prizes and pitfalls of global empire.

ADVANCED SOCIAL MEDIA MARKETING

HOW TO LEAD, LAUNCH, AND MANAGE A SUCCESSFUL SOCIAL MEDIA PROGRAM

Apres Hundreds of millions of Americans are using social media (SM), and already some 70% of businesses have

joined them there, using Facebook and other SM platforms to connect with their customers, and attract new ones. So the real question isn't whether to take your business onto social media platforms—but how to do it quickly, effectively, on a budget, with smart goals, and a road map for success. **Advanced Social Media Marketing: How to Lead, Launch, and Manage a Successful Social Media Program** cuts through the hype and fluff about how social media is changing the world, and it gets down to what really matters: How you as a manager can best use SM to benefit your business. Written by a veteran online marketer and ecommerce professional, the book shares practical strategies and tactics to let you launch and scale a successful corporate social media program. **Advanced Social Media Marketing: How to Lead, Launch, and Manage a Successful Social Media Program** is for the manager who already knows something about social media and wants to roll up his or her sleeves and get down to business. In it, we simplify tasks that might otherwise be complicated—like adopting and tracking key performance metrics, developing online ad campaigns, or creating Facebook apps like games, giveaways and sweepstakes with the capacity to go viral. Businesses can harness the unique advantages of this new medium, but they need a practical, no-nonsense guide like this one. Otherwise they risk being ignored, wasting time and money or, even worse, damaging their own brand and seeing a well-intentioned online program blow up. The book is heavy on the how-to, case studies, campaign results and other statistics, and interviews with ecommerce managers at businesses large and small. It also includes the author's own experiences at Green Mountain Coffee Roasters, Wine of the Month Club, and others. While this book will be accessible enough for someone implementing a social media program for the first time, it's ambitious enough to benefit experienced SM hands who are looking for good ideas and techniques to push their online community to the next level of size, interactivity, and buzz.

WINNEBAGO NATION

THE RV IN AMERICAN CULTURE

Columbia University Press There are close to 8.5 million RVs on the U.S. highways and roads today, and if you are a man in your fifties, there is a good chance you have owned or are about to own a recreational vehicle. Winnebago Nation is a light-hearted look at the culture and industry behind the yearning to spend the night in one’s car. For the young, the roadtrip is a coming-of-age ceremony; for those later in life, it is the realization of a lifelong desire to be spontaneous, nomadic, and free. James B. Twitchell recounts the RV’s origins and evolution over the twentieth century; its rise, fall, and rebirth as a cultural icon; its growing mechanical complexity as it evolved from an estate wagon to a converted bus to a mobile home; and its role in bolstering and challenging conceptions of American identity. Mechanical yet dreamy, independent yet needful, solitary yet clubby, adventurous yet homebound, life in a mobile home is a distillation of the American character and an important embodiment of American exceptionalism (Richie Rich and Hobo Hank spend time in essentially the same rig at the same campground, albeit for different reasons and in different levels of comfort). The frontier may be tapped out, but we still yearn for the exploratory life. Twitchell concludes with his thoughts on the future of RV communities and the possibility of mobile cities becoming a real part of the American landscape.
