LOOPTAIL

HOW ONE COMPANY CHANGED THE WORLD BY REINVENTING BUSINESS

Hachette UK **Can a company be cool, socially responsible ... and still make money? Welcome to the looptail. This is the extraordinary true story of Bruce Poon Tip and how, with nothing more than two credit cards and a burning desire to create an authentic, sustainable travel experience like nothing the world had ever seen, he created G Adventures, the world's most successful adventure travel company. G Adventures operates in more than 100 countries, on all seven continents, serves more than 100,000 customers every year - and is now a significant player in Australia. In this unique first-person account, Poon Tip reveals his unusual management secrets that allowed him to keep growing his company, his employees fully engaged and energised, and his customers extremely happy. This is a singularly stunning story of why community, culture and karma matter in business, and how one man's desire to do the right thing and generate profits can be blended into a win-win for all involved. In this special Australian edition, Bruce Poon Tip writes about the unique experiences and lessons learned which have fuelled the growth of his Australian business, and also about how Australia really could be better at presenting itself to the world's travellers. www.gadventures.com.au**

LONG STORY SHORT

CQ Press **All the fundamentals. No fluff. Learn more with less! A truly revolutionary American Government textbook, Christine Barbour's AmGov: Long Story Short, responds to the needs of today's students and instructors through brevity and accessibility. The succinct ten chapters are separated by tabs that make it easy to skim, flip, revisit,**

reorient, and return to content quickly. Reading aids like bullets, annotations and arrows walk students through important facts and break up the material in short, engaging bites of information that highlight not only what is important but why it's important. Though brief, this core book is still robust enough to provide everything that students need to be successful in their American Government course. Whether for the on-the-go student who doesn't have time to read and digest a lengthy chapter, or the instructor who wants a book that will stay out of their way and leave room for plenty of supplementary reading and activities, AmGov provides a perfectly simplified foundation for a successful American Government course.

ALONE

Sourcebooks, Inc. **This must-read for lovers of Stephen King's The Shining will leave readers breathless as Seda and her family find themselves at the mercy of a murderer in an isolated and snowbound hotel. Get ready for what Kirkus calls "A bloody, wonderfully creepy scare ride." When her mom inherits an old, crumbling mansion, Seda's almost excited to spend the summer there. The grounds are beautiful and it's fun to explore the sprawling house with its creepy rooms**

and secret passages. Except now her mom wants to renovate, rather than sell the estate—which means they're not going back to the city...or Seda's friends and school. As the days grow shorter, Seda is filled with dread. They're about to be cut off from the outside world, and she's not sure she can handle the solitude or the darkness it brings out in her. Then a group of teens get stranded near the mansion during a blizzard. Seda has no choice but to offer them shelter, even though she knows danger lurks in the dilapidated mansion—and in herself. And as the snow continues to fall, what Seda fears most is about to become her reality...
