"Sisson masterfully delivers a comprehensive guide . . . to finally achieve success as it relates to health and weight loss."—David Perlmutter, M.D., author of Grain Brain Mounting scientific research is confirming that eating a ketogenic diet could represent one of the greatest nutritional breakthroughs of our time—and that it might be the healthiest and most effective weight loss strategy ever. Going "keto" by eating high fat, low-to-moderate protein and low-carb foods enables you to break free from the disastrous effects of carbohydrate dependency by resetting your metabolism and promoting metabolic flexibility—where your body learns to burn fat instead of sugar for energy, even when you go off plan. Unlike many other ketogenic programs that require challenging restrictions and deprivation or offer misinformation, Mark Sisson, bestselling author of The Primal Blueprint and publisher of the #1 paleo blog MarksDailyApple, presents a unique two-step, scientifically validated approach for going keto the right way. He first reveals the real secret to rapid and sustained weight loss, which is in becoming "fat-adapted" before entering full nutritional ketosis. It takes as little as 21-days to reprogram your metabolism to burn fat for fuel, by ditching processed grains, sugars, and refined vegetable oils in favor of nutrient-dense, high fat, primal/paleo foods—and you'll see immediate results. Next, you'll fine-tune with Intermittent Fasting and then foray into full ketogenic eating for a further weight loss boost and improved health. With The Keto Reset Diet, you can eat to total satisfaction by enjoying rich, high-satiety foods, and even weather occasional slip-ups, using:

- Step-by-step guidance
- A helpful list of toxic foods to avoid and nutrient-dense food to replace them
- Daily meal plans, including a recipe section with over 100 keto friendly recipes

THE DIABETES CODE

PREVENT AND REVERSE TYPE 2 DIABETES NATURALLY

Greystone Books Ltd From acclaimed author Dr. Jason Fung, a revolutionary guide to reversing diabetes. Dr. Jason Fung forever changed the way we think about obesity with his best-selling book, *The Obesity Code*. Now he has set out to do the same for type 2 diabetes. Today, most doctors, dietitians, and even diabetes specialists consider type 2 diabetes to be a chronic and progressive disease—a life sentence with no possibility of parole. But the truth, as Dr. Fung reveals in this paradigm-shifting book, is that type 2 diabetes is reversible. Writing with clear, persuasive language, he explains why conventional treatments that rely on insulin or other blood-glucose-lowering drugs can actually exacerbate the problem, leading to significant weight gain and even heart disease. The only way to treat type 2 diabetes effectively, he argues, is proper dieting and intermittent fasting—not medication. THE 17 DAY DIET

Simon and Schuster **Dr Mike Moreno's 17 Day Diet** is a revolutionary new weight-loss programme that activates your skinny gene so that you burn fat day in and day out. The diet is structured around four 17-day cycles: Accelerate- the rapid weight loss portion that helps flush sugar and fat storage from your system; Activate-the metabolic restart portion with alternating low and high calorie days to help shed body fat; Achieve - this phase is about learning to control portions and introducing new fitness routines; Arrive - A combination of the first three cycles to keep good habits up for good. Each cycle changes your calorie count and the food that you're eating. The variation that Dr. Mike calls 'body confusion' is designed to keep your metabolism guessing. This is not a diet that relies on a tiny list of approved foods, gruelling exercise routines, or unrealistic calorie counts that leave you hungry and unfulfilled. Each phase comes with extensive lists of what dieters can and can't eat while on the phase, but also offers acceptable cheats. He advises readers not to drink while on the diet, but concedes that if they absolutely have to then they should at least drink red wine. Dr Mike knows that a diet can only work if it's compatible with the real world, and so he's designed the programme with usability as a top priority.

THE HOT BELLY DIET

A 30-DAY AYURVEDIC PLAN TO RESET YOUR METABOLISM, LOSE WEIGHT, AND RESTORE YOUR BODY'S NATURAL BALANCE TO HEAL ITSELF

Simon and Schuster From an internationally recognized physician who combines Eastern and Western medicine, a groundbreaking diet and total body health plan centered on digestive balance and metabolic transformation. The complaints that Dr. Suhas hears on a daily basis, from high body weight, low energy, and poor sleep, to headaches, unexplained congestion, and depression, all have a surprising common denominator: a weak digestive "fire." Drawing on traditional Indian practices and principles, The Hot Belly Diet shows you how to optimize your digestive powers to foster rapid weight loss and vibrant health. At the core of this three-phase diet that makes lunch the most important meal of the day is a dish called khichadi (pronounced kitch-a-de)—a completely nutritious but incredibly easy-to-make meal that helps clear out your "ama," or the digestive sludge that antagonizes weight loss, provokes hormonal imbalances, and ultimately triggers inflammation—the root cause of virtually all disease. This unique book also explains what foods are incompatible (milk and eggs, for example), why the sensation of hunger is essential, and how to time your meals throughout the day to avoid snacking. The Hot Belly Diet changes your relationship with food to make healthy eating—and living—effortless. Whether you're suffering from a chronic condition, looking to prevent future illness, or just want to feel your best every day, The Hot Belly Diet will re-establish your body's natural balance, creating a thinner, healthier, and happier you.

THE FAST TRACK DETOX DIET

FOR OVERNIGHT WEIGHTLOSS, IMPROVED HEALTH AND VITALITY

Random House Do you spend your life feeling sluggish and overtired? Exhausted and unhealthy? Uncomfortably overweight? Do you want to feel energised and invigorated? Be healthier and happier? Lose weight safely, easily and fast? Now, with the revolutionary Fast Track Detox Diet, developed by bestselling diet guru Dr Ann Louise Gittleman, you can radically change the way you feel. In November 2003, Ann Louise was asked to take the principles of her hugely successful detox diet to another level by developing a new programme which would enable dieters to lose weight quickly - for that special event, for that holiday outfit or just to jump-start weight loss. The Fast Track Detox Diet is the result, rigorously tested under the guidance of a registered dietician - and the results are incredible. Substantial, rapid but sustainable weight loss, and an astonishing increase in energy, vitality and mental clarity. Focussing around a delicious one-day juice fast to flush accumulated toxins from the body, but supported by a cleansing 7-day prequel to ensure you give your body all the nutrition it needs and a 3-day sequel to seal in the results, it's easy to follow and, with three alternative long-term programmes to follow the eleven-day plan, it's genuinely life-changing. A toxic liver becomes unable to process fat and releases it back into the bloodstream. A stressed, failing colon can poison the body and result in added pounds and inches around the abdominal area. Extreme low-carb diets repress serotonin production, triggering irritability and low energy levels. Just three reasons why The Fast Track Detox Diet, proven in systematic trials to purge your body of the toxins that set you up for weight gain and fatigue, is the essential, inspiring, holistic whole-body route to better health and dramatic weight loss.

DR. KELLYANN'S CLEANSE AND RESET

DETOXIFY, NOURISH, AND RESTORE YOUR BODY FOR SUSTAINED WEIGHT LOSS...IN JUST 5 DAYS

Rodale Books Combat and prevent the effects of burnout with a detoxifying and nourishing cleanse program that

liberates your body from poisons that make you sick, tired, and overweight—from the New York Times bestselling author of Dr. Kellyann's Bone Broth Diet and The 10-Day Belly Slimdown “If you are feeling tired, unhealthy, and emotionally burned-out and want a fresh way to rejuvenate, Kellyann has a message for you: she’s been where you are. And she knows the way out.”—Mehmet Oz, MD “Dr. Kellyann Petrucci has done a terrific job bringing the science of detoxification to the table. This is a top-notch way to deal with the multiple toxic challenges posed by our modern world.”—David Perlmutter, MD, #1 New York Times bestselling author of Grain Brain and Brain Wash Whether from stressful times like the holidays or from the demands of your regular routine, your body naturally becomes depleted over time, making it even more difficult to lose weight and maintain the energy and vitality you need to get through the day. This is something Dr. Kellyann Petrucci experienced firsthand in 2017 while she was writing her last book, doing nonstop TV appearances, and running her business. She gained 20 pounds, her hormones went haywire, and she was at a loss for how to turn things around. She decided it was time to hit the reset button and created her simplest plan yet, specifically designed to help the millions of women who are overweight, overworked, and overextended get reenergized both physically and mentally. This is a comfortable, incredibly powerful 5-day cleanse protocol that resets your metabolism, giving you the kind of quick, confidence-boosting results you need to get back on a healthy track. The power ingredient in the Cleanse and Reset is collagen, which improves skin elasticity and brings back that coveted youthful glow, eases joint pain, heals leaky gut, supports weight management, and has anti-inflammatory properties. The healing and reparative smoothies, shakes, soups, and bone broth blends that you’ll enjoy on the 5-day cleanse are packed with collagen and can be adapted to any diet, with a focus on modifying the cleanse for the keto diet (along with great collagen alternatives for vegetarians and vegans!). The program also includes an optional 1-day “keto push” that you can follow for an extra boost the day before you begin your cleanse. Dr. Kellyann's Cleanse and Reset will help you slim your body, deep-cleanse your cells, and reclaim your energy and focus so you can start feeling truly good again.
