CHILDREN AND THE HOLY SPIRIT

Christine and John Leach are probably best known for their connection with Anglican Renewal Ministries. However, this book on how to help children develop in the gifts and fruit of the Holy Spirit will speak to anyone involved in children's ministry, whatever church stream they come from.

KIDS EMPOWERED!

KNOW, GROW, AND SHOW A REAL RELATIONSHIP WITH GOD

Createspace Independent Publishing Platform **KIDS EMPOWERED!** is a twelve-month children's ministry curriculum that is designed to help lead kids into a real relationship with God (recommended for ages 6-12). Just like Jesus valued and welcomed children, we must see kids as vital members of the kingdom of God. They can know God, hear His voice, walk in His ways, and move in the Holy Spirit at their young age! The lessons are broken down into twelve themes, which cover a variety of subjects and rotate through the following three major focuses: 1. Empowered to Know: These themes focus on knowing God and growing in a relationship with Him. 2. Empowered to Grow: These themes are all about growing in character and obedience to God. 3. Empowered to Show: These themes emphasize demonstrating the love and power of God to others. Curriculum Distinctives: 1. Relationship Focused: The lessons continually point children to God and the priority of having a real relationship with Him. Kids are encouraged to maintain a journal in order to keep

track of what God is doing in their lives and speaking to them (It is recommended that the Kids Ministry provide a journal for each child!). 2. Grounded in the Word: Scripture is used frequently, and kids are taught the value of getting into the Bible for themselves. Each of the twelve themes has a memory verse that the children will learn and memorize. 3. Spirit-empowered: Kids are invited to be filled with the Holy Spirit and are equipped to begin to move in the gifts of the Holy Spirit. The same Holy Spirit who works in and through adults will work in the kids! 4. Immediate Application: Each lesson has a section where kids can immediately apply what has been taught. This makes room for kids to encounter God and put into practice what they are learning. One of the best ways for kids to learn is by doing! Each lesson includes: -A welcome time and memory verse -A large group lesson with a teaching outline -A personal application time for kids to encounter God and apply what they learned -A small group time for discussion, testimonies, and prayer (A thorough curriculum overview and some sample lessons can be seen at: www.kids-empowered.com)

MEET MY FRIEND THE HOLY SPIRIT WORKBOOK AND ACTIVITY BOOK

Ministry Leaders, Teachers, and Parents General Info - Thank you for choosing this workbook & activity book to teach children about the Holy Spirit. There are 17 total lessons and activities for children to do with minimal supplies needed. The supplies are listed below. The book and workbook moves beyond the teachings of God (our Father) and Jesus (the source of salvation) into the person hood and gifts of the Holy Spirit. At the end of both, the book and this

workbook, is an opportunity for children to be filled with the Holy Spirit. Children can do this alone or with an adult leader. Ideally, most children will have already learned about and received salvation but if not, there is a small teaching about this in the front of the book called, "Meet My Friend, The Holy Spirit". Children can still do this workbook even if they have not prayed the prayer of salvation, it will simply increase their knowledge of the Kingdom of Heaven! Independent Study - This workbook is designed in a way that children can do it independently, with minimal adult support. They may occasionally need help on a few of the lessons, like reading chapter 12 in 1 Corinthians on Lesson 9 Churches / Sunday school / small groups - This workbook is also great for Sunday school classes to do together. Students can do it independently or in groups. Please see copyright information for details on making photocopies for groups. Additional resources may be found at KarenVEDwardsMinistries.com

HEARING GOD'S VOICE (FOR KIDS)

CHILDREN'S CHURCH CURRICULUM FOR AGES 6-12

Next to our salvation, there are few things more important for a Christian, child or adult, than to learn to hear the voice of God and be led by His Spirit. Jesus said, "My sheep listen to my voice; I know them, and they follow me." It's in childhood we should be taught how to hear the voice of the Shepherd, because it's then we form the habits that will stay with us throughout our entire lives. If children can be taught what His voice "sounds" like, and how to recognize His leading, they will be much better equipped to make right choices that affect their entire lives. This series takes kids from the basics all the way to seeing prophetic visions and dreams, and learning how to interpret them from scripture. You will see Joel 2:28 come to pass before your eyes when "your sons and daughters prophecy." They will also learn how to recognize the Enemy's counterfeit supernatural that attempt to mimic the Gifts of the Spirit. Your children will never be the same!

13 Lesson Titles for Hearing God's Voice curriculum: * The Natural World vs. the Spirit World * God Has a Still, Small Voice * Red Light, Green Light * We're Led By Peace * The Magnetic Pull of the Spirit * His Word is a Lamp to Our Feet * Young Men Shall See Visions * Dreaming Dreams * Interpreting Dreams and Visions * The Spoken Word of God * Angelic Visitations and Open Visions * The Enemy's Counterfeit

What's Included: * 12 dynamic lessons * 12 skits for either drama or puppetry * 12 Power Verse Discussions * Multiple Objects Lessons Per Lesson * 15 Review Questions for each lesson * Scripture Contest for each Lesson

One of our children even began using his Bible to speak out prophetic words and call out what God was doing in both the room and at home! Words of Knowledge: One day we had a child get a word of knowledge for another child in the room. The room proceeded to pray for the child, and she got healed! COLD-CASE CHRISTIANITY

A HOMICIDE DETECTIVE INVESTIGATES THE CLAIMS OF THE GOSPELS

David C Cook Written by an L. A. County homicide detective and former atheist, **Cold-Case Christianity** examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a “cold case”: it makes a claim about an event from the distant past for which there is little forensic evidence. In **Cold-Case Christianity**, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers’ intense interest in detective stories, **Cold-Case Christianity** inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

FRUIT FULL

100 FAMILY EXPERIENCES FOR GROWING IN THE FRUIT OF THE SPIRIT

Kregel Publications A fun family devotional inspiring children to understand the fruit of the Spirit It's common for kids to memorize the fruits of the Spirit: love, joy, peace, goodness, self-control, and all the rest. But that doesn't mean they understand what it means. Is peace just not fighting with your siblings? Does self-control mean resisting a second dessert? When Mom and Dad explain these concepts just in terms of morality, we miss the mark. Christie Thomas is skilled at taking complex ideas and making them accessible to kids . . . and adults learn a lot along the way too. Each of her devotions is designed to help parents connect their children with the Holy Spirit through a Scripture passage, thought-provoking questions, ways to apply each verse, and a prayer. And for each fruit, parents can use the optional hands-on activities when there's extra time. Perfect for kicking off the New Year as a family, these 100 devotional experiences include illustrated examples of each fruit of the Spirit. They demonstrate the hands, heart, and habits of Jesus and also teach children to spend time with the good God who loves them. By understanding how he covers them with his goodness and how his Spirit helps them grow their own beautiful, Jesus-reflecting character, the whole family will connect to the Vine and grow abundant fruit together.

GOSPEL PRINCIPLES

The Church of Jesus Christ of Latter-day Saints A Study Guide and a Teacher's Manual Gospel Principles was written both as a personal study guide and as a teacher's manual. You can find answers to life's questions, gain an assurance of your purpose and self-worth, and face personal and family challenges with faith.

BIBLE LESSONS FOR KIDS: ELIJAH, SOLOMON, AND ELISHA

1 KINGS 18, 1 KINGS 19, 2 KINGS 5, 2 CHRONICLES 7, AND JOHN 4

CreateSpace **Our Bible Fun Factory Lesson Plans are "the essentials". The lessons that every single Christian child between 4-12 needs to be taught. Elijah, Solomon, Jesus, and Naaman show us some great lessons for kids. Elijah tells off 450 Baal worshippers like it's nothing-then gets so afraid it's hard to believe. Peer pressure can get to all of us, but God can show us the way one step at a time. Solomon builds a very expensive, ornate and time-consuming temple that God accepted; Jesus said a thousand years later that God wants us to worship him in spirit and in truth. God loves our gifts, but one of his greatest gifts was making our bodies the Temple of the Holy Ghost. Naaman proves that if we're to be trusted with big jobs for God, we must prove ourselves with little jobs. Lessons Include: Lesson 1: Elijah, God, and Baal Lesson 2: Elijah and the Still Small Voice Lesson 3: Solomon's Temple Lesson 4: Our Temple Lesson 5: Do a Small Favor for the Lord (Naaman & Elisha) We have 3 core beliefs when we create Bible Lesson Plans: 1) They should be**

EASY for the teacher to teach. 2) They should be FUN for the child. 3) They should actually TEACH the child bedrock principles of the Christian Faith and the Bible. ----- Each of the Lessons Include: -Materials List (Don't worry, nearly everything can be gathered up at a moments notice from your own house. For example, you might need to grab a big spoon) -Complete Lesson (Including our much loved "teaching script" that tells you exactly what to say!) -Scripture Reading (we put the scripture reading in the lesson, to make it easy!) -2 Games (Kids LOVE games, each game teaches an important element of the overall lesson and lets the kids get up out of their seat and move around. Typically one game is geared to young children 4-7 and another for the 8-12 year olds) -2 Intro Activities (These activities get the kids engaged in the lesson and help to fill the time as kids trickle in.) -2 Lesson Activities (These activities vary from object lessons, crafts, treasure hunts, and more) -Closing Prayer (Our closing prayers are each designed to leave the kids with a positive message and reminder of the lesson). -----

----- Class Length: The lessons are designed to run for one hour, but can easily be expanded to cover more time if needed. Age Level: The lessons include age-appropriate activities, discussion, and questions for children ages 4-12. Equally effective with mixed age groups or single age classes. Prep Time: Each lesson was designed to be taught after only 5-10 minutes of prep time. You don't need to go around collecting craft materials or spending an hour before class getting organized. You can literally "glance & go". Denomination: Our lessons can be used by churches of all denominations, as the topics covered are truly the foundation of Christian faith. In addition, any Bible translation can be used.

TRANSFORMING CHILDREN INTO SPIRITUAL CHAMPIONS

WHY CHILDREN SHOULD BE YOUR CHURCH'S #1 PRIORITY

Gospel Light Publications **No one can deny that our culture is opposed to Christian values, and the influences bombarding our children's moral development can be deadly. But few parents and church leaders realize how critical it is to start developing a child's biblical worldview from the very earliest years of life. The problem is complex: parents who themselves did not receive early spiritual training leave their children's training to the church. Yet the church often focuses on older children—not realizing that a child's moral development is set by the age of nine. The answer is for churches to recognize the need to come alongside parents to provide them biblical worldview training, parenting information, counseling, etc., that will equip them to help their children become the spiritually mature Church of tomorrow. Profiles presented of churches who are effectively ministering to children and winning the war our enemy is**

waging against them\.

CREATIVE IDEAS FOR CATECHISTS

Rowman & Littlefield Rost takes us into the delightful dimension of creative catechetics, with its powerful impact on children's faith-learning. She first leads us in an exploration of our own creativity, our sense of prayer, and our own sense of discipleship. She then suggests ways to enliven the gathering space, using the children's five senses to help open them to these rich faith experiences. She offers approaches to the critical factors in preparation, presentation and procedure that make for successful empowerment of the children's faith learning. She also includes scores of practical ideas for involving primary and middle-grade children in making prayer, O helping them express their unity with God through prayer. Finally, she discusses the many resources essential to our own spiritual formation, which must go hand-in-hand with that of unfolding a vibrant faith life in children. An excellent resource to inspire, encourage and sensibly guide catechetical ministry as it is meant to be: joy-filled, revitalizing and life-impacting.

THE KINGDOM OF LIGHT (FOR KIDS)

CHILDREN'S CHURCH CURRICULUM AGES 6 - 12

[Createspace Independent Publishing Platform](#) God is light. Jesus is the lamp of heaven, and the Word is a lamp to our feet and light to our path. There's no need for the sun, moon, or stars to light heaven because of God and Jesus. This makes Heaven a Kingdom of Light. But it is also a kingdom of power, which leads our children into the baptism in the Holy Spirit and how to operate in the nine gifts of the Spirit. Children learn these gifts are the true supernatural, and what the Devil has to offer through magic and witchcraft are cheap counterfeits of what God offers. This is one of the most powerful curriculums Becky has ever written! We recommend you teach from the Hearing God's Voice curriculum before starting this one.

IN SEARCH FOR THE GIFT OF THE HOLY SPIRIT

[Lulu.com](#) Not only is Acts 2:38 a controversial text because of the mention of baptism "for the remission of sin" but also because of the second independent clause. The audience asks, "What shall we do?" Peter answers in two clauses. The second is, "You shall receive the gift of the Holy Spirit." What does that mean? West has taken a fresh look at the many passages dealing with the Holy Spirit. He revisits Acts 5:32 where much misunderstanding has arisen. West deals with

the English and Greek grammar in the passages in the context of the entire Bible. The major views of the gift of the Holy Spirit are dealt with: (1) the gift is salvation; (2) the gift is supernatural signs; (3) the expression is metaphorical; (4) the gift is the Spirit Himself. Major problems that influence beliefs are (a) learned scholars use their theology instead of their scholarship, (b) the grammar is treated as a complex sentence instead of a compound one, and (c) passages such as Acts 5:29-32 are misused to prove what the gift is.

CHILDREN'S CHRISTMAS ACTIVITIES

HONORING JESUS

iUniverse **Is Christmas just another holiday for you and your family? Do you find yourself doing the same things year after year? Then Children's Christmas Activities is for you. It can turn those dull Christmases into the holiday of the year. These are just some of the benefits that you will realize:**

- Children grow in creativity, in self-esteem, and in the knowledge of the Lord.
- Family unity is nurtured.
- You invest in future generations.
- You share Jesus with others.
- Jesus is honored—given first place—during his birthday celebration.

Children's Christmas Activities helps children discover the meanings behind different Christmas traditions, including the Christmas tree, Santa, "The Twelve Days of Christmas," and the candy cane. Then there are specific activities using talent, questions and answers, instruments, music, and dance. Let's not forget the plays that allow you to meet Jed the donkey; the three aliens, Tock, Orb, and Bob; and even the archangel Gabriel. Children's Christmas Activities is a must for parents and grandparents. It provides ideas that create the proper setting for your Christmas get-togethers. You pass on your family traditions and memories from generation to generation. So which one of these activities are you going to choose this Christmas? Glenda Kyle is a registered nurse currently affiliated with Breath of Life Maternity Ministries, which helps homeless pregnant women and their babies. She is married and has two children and seven grandchildren. For over thirty Christmases, Glenda has written and narrated children's activities honoring Jesus. Residing in Round Rock, Texas, with her husband, she serves wherever God leads.
