## Disciple IV

*DISCIPLE IV UNDER THE TREE OF LIFE is the final study in the four-phase DISCIPLE program and is prepared for those who have completed BECOMING DISCIPLES THROUGH BIBLE STUDY. The study concentrates on the Writings (Old Testament books not in the Torah or the Prophets), the Gospel of John, and Revelation. Emphasis on the Psalms as Israel's hymnbook and prayer book leads natural to an emphasis on worship in the study. Present through the entire study is the sense of living toward completion - toward the climax of the message and the promise, extravagantly pictured in Revelation. The image of the tree and the color gold emphasize the prod and promise in the Scriptures for DISCIPLE IV: UNDER THE TREE OF LIFE. The word under in the title is meant to convey invitation, welcome, sheltering, security, and rest - home at last. Commitment and Time Involved 32 week study Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. DVD Set Four of the five videos in this set contain video segments of approximately ten minutes each that serve as the starting point for discussion in weekly study sessions. The fifth video is the unique component that guides an interactive worship experience of the book of Revelation. Under the Tree of Life Scriptures lend themselves to videos with spoken word, art, dance, music, and drama. Set decorations differs from segment to segment depending on the related Scripture and its time period. Set decoration for video segments related to the Writings generally has a Persian theme. Set decoration for the New Testament video segments emphasizes the simpler life of New Testament times.*

## Mies van der Rohe – The Built Work

**Birkhäuser** *This essential and comprehensive Mies monograph focuses in its analysis on Mies' design intentions: it reconstructs the buildings in their original state, examines them from the present day perspective and rediscovers the inspiring architecture of a great modern master. The book presents eighty of Mies' works in chronological order. Approximately thirty of these works are analyzed in detail in three parts. In the first part, the construction is documented in its built state; for this all the ground plans were redrawn by the author. The second part outlines the changes to the buildings and the third part develops the results of this investigation with regard to their relevance to the contemporary view of Mies' work.*

## Plain Roots

**Clear Creek Publishers** *Taryn Clark thought she'd outgrown the need to find her birth mother. She thought that a successful career and a comfortable life in the city were enough to be happy. Did she really need to know about the woman who had given her away? Adopted at birth, her first few years were happy. It hadn't mattered that she didn't know her heritage; she had parents who loved her and wanted her. But divorce, and then death, ripped their tiny family apart, and at the tender age of six, she entered the foster care system. Over the next dozen years, she shuffled from home to home. Finding her roots seemed an impossible dream. But dreams are resilient. An unexpected discovery awakens old yearnings of belonging to a family, of being part of something bigger than herself. Finding the brief, ambiguous note from her birth mother is enough to unfurl the ribbons of hope still binding her heart. Her quest takes her to Lancaster County, Pennsylvania and the heart of the Plain community. Aided by her unique eye color, a healthy dose of luck, and the private investigator she hires, Taryn finds her birth family easily enough, but finding the truth is another matter. In all her musings, she never imagined a scenario where her mother might be Amish. She never imagined that the fabric of her life might be a patchwork of faith and fear, stitched together with a dark family secret. Taryn is determined to trace her roots, even if it means digging in the mud to do so. Now she's caught in the quicksand of a shocking discovery and the consequences of choices made, almost forty years ago. She'll risk everything to uncover the truth and to claim the family--and the roots--she so desperately craves.*

## The Substance of Style

How the Rise of Aesthetic Value Is  
Remaking Commerce, Culture, and  
Consciousness

**Harper Collins** *Whether it's sleek leather pants, a shiny new Apple computer, or a designer toaster, we make important decisions as consumers every day based on our sensory experience. Sensory appeals are everywhere, and they are intensifying, radically changing how Americans live and work. The twenty-first century has become the age of aesthetics, and whether we realize it or not, this influence has taken over the marketplace, and much more. In this penetrating, keenly observed book, Virginia Postrel makes the argument that appearance counts, that aesthetic value is real. Drawing from fields as diverse as fashion, real estate, politics, design, and economics, Postrel deftly chronicles our culture's aesthetic imperative and argues persuasively that it is a vital component of a healthy, forward-looking society. Intelligent, incisive, and thought-provoking, The Substance of Style is a groundbreaking portrait of the democratization of taste and a brilliant examination of the way we live now.*

*An essay by the author of *The Decline of the West*, Oswald Spengler, on the need for "Prussianism" in order to save civilization from the "Coloured Peril," based on Spengler's view, just after the Nazi rise to power in 1933, that the white (European) tribes were under attack by colored races through a "war" by various political forces - enemies of the white race. Spengler's writings had a great effect on the racial thinking of Adolf Hitler. Chapters include *The Political Horizon*, *World War & New Powers*, *The White World Revolution*, *The Coloured World Revolution**

## Dissecting the Holocaust

# The Growing Critique of 'Truth' and 'Memory'

**Castle Hill Publishers** *Dissecting* marshals the work of more than a dozen researchers to subject the "gas chambers," the "six million," the postwar trials and other linchpins of the orthodox Holocaust narrative to careful, precise, methodical and withering analysis. Robert Faurisson, Germar Rudolf and Claus Jordan on how testimony was coerced and convictions manufactured; G. Rudolf on the evidence for Jewish losses during WWII; Udo Walendy and John Ball on analysis of photos alleged to depict the crimes or their locations; Jürgen Graf on myths about the concentration camps; Germar Rudolf on how chemical analysis gravely weakens the case for gassing in the Auschwitz gas chambers; Carlo Mattogno on the cremation furnaces of Auschwitz; Fritz Berg, Ingrid Weckert, Carlo Mattogno and Arnulf Neumaier on the technical and evidentiary absurdities of gassing claims for German trucks and gas chambers at Majdanek, Belzec, Sobibor and Treblinka; and more. *Dissecting's* handsome design and format lend themselves well to the numerous illustrations, charts, and diagrams with which these leading revisionists advance the wealth of evidence the book offers against the Holocaust myth. 3rd revised and updated edition of 2019.
