The Kybalion

A Study of The Hermetic Philosophy of Ancient Egypt and Greece

Sunsight Press The Kybalion: A Study of the Hermetic Philosophy of Ancient Egypt and Greece is a book originally published in 1908 by New Thought author William Walker Atkinson under the pseudonym "The Three Initiates". This book is not exactly The Kybalion itself, it is more of a critical interpretation by Atkinson on hermetic philosophy. As such, it should be read with this in mind that it is not an authoritative hermetic text, but one only dedicated to Hermes Trismegistus. The Kybalion presents seven universal principles it proposes to be the Seven Hermetic Principles: Mentalism, Correspondence, Vibration, Polarity, Rhythm, Cause and Effect, and Gender. These principles are essentially explications of cycles, and before these principles is the notion of the primacy of mind as the cause of All (philosophical mentalism). This idea of mentalism is inspired by what is written about the Mind in The Hermetica. Coinciding with Spiritualism, New Thought, and Theosophy, the book became very popular in New Age movements, particularly with its notion of spiritual and mental alchemy. The Kybalion is a text which must be read with this in mind, while it is an interpretation of hermetic philosophy, it is in part still a relic of its time. Its influence cannot be understated, and the need to read it critically cannot be overstated.

The Missing Head of Damasceno Monteiro

New Directions Publishing A literary thriller of heroin rings and headless bodies uncovers social ills and corruption in modern day Portugal, whileas in all of Tabucchi's workblurring genre boundaries. Antonio Tabucchi, Italy's premier writer and a best-selling author throughout Europe, draws together Manolo the gypsy, Firmino, a young tabloid journalist with a weakness for Lukacs and Vittorini, and Don Fernando, an overweight lawyer with a professed resemblance to the actor Charles Laughton, to solve a murder that leads far up and down Portugal's social ladder. As the investigation leads deeper into Portugal's power structure, the novel defies expectations, departing from the formulaic twists of a suspense story to consider the moral weight of power and its abuse.

Filthy Beautiful Lies: The Complete Series

Kendall Ryan Discover the romantic, erotic and suspenseful New York Times and USA Today bestselling FILTHY BEAUTIFUL LIES series, which was named The Next Fifty by Newsweek Magazine. This bundled set contains all four books in the series. FILTHY BEAUTIFUL LIES I have no idea why she auctioned off her virginity for a cool mill. Regardless, I'm now the proud new owner of a perfectly intact hymen. A lot of good that will do me. I have certain tastes, certain sexual proclivities. My cock is a bit more discriminatory than most. And training a virgin takes finesse and patience - both of which I lack. Sophie Evans has been backed into a corner. With her sister's life hanging in the balance, the only choice is to claw her way out, even if that means selling her virginity to the highest bidder at an exclusive erotic club. When Colton Drake takes her home, she quickly learns nothing is as it seems with this beautifully troubled man. Being with him poses challenges she never expected, and pushes her to want things she never anticipated. FILTHY BEAUTIFUL LOVE When Colton Drake paid one million dollars for Sophie Evan's virginity, the last thing he expected was to fall for her - hard - and then to watch her walk away. But when Sophie discovers that Colton has been lying to her, it is going to take more than money to get her back. Colton won't be deterred. Sophie is his - she just doesn't know it yet. Can he seal the deal and rock her world so thoroughly she'll never want to leave again, or is it too late... FILTHY BEAUTIFUL LUST Pace Drake loves sex, and he makes no apology for getting what he wants, when he wants it. But when he meets single mom Kylie, he's enthralled by her and begins to question his standard operating procedure. Kylie's depth and determination make the hookups that fill his weekends seem empty and shallow. She doesn't want or need anyone to take care of her and that only makes him want to care for her more. Kylie's trust in men has vanished. The last man she was with played ding-dong-ditch-it with her uterus and now the infant son he left her to raise alone is the only man she has time for. Pace wants to prove to her that he is one of the good guys, but can she really trust that his days of hitting it and quitting it are gone forever? FILTHY BEAUTIFUL FOREVER Collins Drake exercises control over all facets of his life. From his business, to his relationships, to satisfying his physical needs ... it all happens on his command. So when a woman shows up at his door and reminds him of a promise they made each other when they were just ten years old, it shouldn't have the ability to rock his entire world. Yet it does. Because Mia Monroe wasn't just his childhood best friend, she wasn't just the girl he lost his virginity to and hasn't seen since, she's the one exception to his perfect control. And piece by piece, she's about to tear apart his carefully laid plans.
