In this new 276-page book, Bell collaborates with renowned motorsport author Richard Heseltine to give the reader a very personal insight into his experiences racing for the legendary German marque. The approach taken by this latest publication from Porter Press International is to look at every race Bell drove for Porsche, in detail and with revealing comments from the book's subject. Light is cast on Bell's most prestigious victories with Porsche - four of his five in the Le Mans 24 Hours, three in the Daytona 24 Hours, two in the World Sportscar Championship - and many more besides. Bell describes the Porsches he raced, from the fearsome 917 to the iconic 956, 962, and 911. And he shares his thoughts on the now-legendary drivers he raced with, including six-time Le Mans winner Jacky Ickx, the famously flamboyant Hans Stuck, and two immense talents who lost their lives to the sport, Jo Siffert and Stefan Bellof. The overall effect is a fascinating trip back in time to a golden era for Porsche and sports car racing as a whole. **How to Keep Your Datsun L-Series-Z-Series Nissan Alive Maintenance & Repair 1968-1986** John Muir Publications **How to Hotrod and Race Your Datsun** Motorbooks International
