## **PREMATURITY IN SCIENTIFIC DISCOVERY**

---

---

### **ON RESISTANCE AND NEGLECT**

---

*Univ of California Press "In preparing this remarkable book, Ernest Hook persuaded an eminent group of scientists, historians, sociologists and philosophers to focus on the problem: why are some discoveries rejected at a particular time but later seen to be valid? The interaction of these experts did not produce agreement on 'prematurity' in science but something more valuable: a collection of fascinating papers, many of them based on new research and analysis, which sometimes forced the author to revise a previously-held opinion. The book should be enthusiastically welcomed by all readers who are interested in how science works."—Stephen G. Brush, co-author of *Physics, The Human Adventure: From copernicus to Einstein and Beyond* "Prematurity and Scientific Discovery contains interesting and insightful papers by numerous well-known scientists and scholars. It will be of wide interest, not only to science studies scholars but also to working scientists and to science-literate general readers."—Thomas Nickles, editor of *Scientific Discovery, Logic, and Rationality**

## THE CHAPO GUIDE TO REVOLUTION

---

---

### A MANIFESTO AGAINST LOGIC, FACTS, AND REASON

---

*Atria Books Instant New York Times bestseller "Howard Zinn on acid or some bullsh\*t like that." —Tim Heidecker The creators of the cult-hit podcast Chapo Trap House deliver a manifesto for everyone who feels orphaned and alienated—politically, culturally, and economically—by the lanyard-wearing Wall Street centrism of the left and the lizard-brained atavism of the right: there is a better way, the Chapo Way. In a guide that reads like "a weirder, smarter, and deliciously meaner version of The Daily Show's 2004 America (The Book)" (Paste), Chapo Trap House shows you that you don't have to side with either sinking ships. These self-described "assholes from the internet" offer a fully ironic ideology for all who feel politically hopeless and prefer broadsides and tirades to reasoned debate. Learn the "secret" history of the world, politics, media, and everything in-between that THEY don't want you to know and chart a course from our wretched present to a utopian future where one can post in the morning, game in the afternoon, and podcast after dinner without ever becoming a poster, gamer, or podcaster. A book that's "as intellectually serious and analytically original as it is irreverent and funny" (Glenn Greenwald, New York Times bestselling author of No Place to Hide) The Chapo Guide to Revolution features illustrated taxonomies of contemporary liberal and conservative characters, biographies of important thought leaders, "never before seen" drafts of Aaron Sorkin's Newsroom manga, and the ten new laws that govern Chapo Year Zero (everyone gets a dog, billionaires are turned into Soylent, and logic is outlawed). If you're a fan of sacred cows, prisoners being taken, and holds being barred, then this book is NOT for you. However, if you feel disenfranchised from the political and cultural nightmare we're in, then Chapo, let's go...*

## **BASED ON A TRUE STORY**

---

### **A MEMOIR**

---

*Collins Wild, dangerous, and flat-out unbelievable, here is the incredible #1 bestselling memoir of the Canadian actor, gambler, and raconteur, and one of the greatest stand-up comedians of all time. A Globe and Mail Best Book of the Year As this book's title suggests, Norm Macdonald tells the story of his life—more or less—from his origins on a farm in the backwoods of Ontario and an epically disastrous appearance on Star Search to his account of auditioning for Lorne Michaels and his memorable run as the anchor of Weekend Update on Saturday Night Live—until he was fired because a corporate executive didn't think he was funny. But Based on a True Story is much more than just a memoir; it's the hilarious, inspired epic of Norm's life. In dispatches from a road trip to Las Vegas (part of a plan hatched to regain the fortune he'd lost to sports betting and other vices) with his sidekick and enabler, Adam Eget, Norm recounts the milestone moments, the regrets, the love affairs, the times fortune smiled on his life, and the times it refused to smile. As the clock ticks down, Norm's debt reaches record heights, and he must find a way to evade the hefty price that's been placed on his head by one of the most dangerous loan sharks in the country. As a comedy legend should, Norm peppers these pages with classic jokes and long-mythologized Hollywood stories. This wildly adventurous, totally original, and absurdly funny saga turns the conventional "comic's memoir" on its head and gives the reader an exclusive pass inside the mad, glorious mind of Norm Macdonald.*

### **CAPITALIST REALISM**

---

### **IS THERE NO ALTERNATIVE?**

---

*John Hunt Publishing After 1989, capitalism has successfully presented itself as the only realistic political-economic system - a situation that the bank crisis of 2008, far from ending, actually compounded. The book analyses the development and principal features of this capitalist realism as a lived ideological framework. Using examples from politics, films, fiction, work and education, it argues that capitalist realism colours all areas of contemporary experience. But it will also show that, because of a number of inconsistencies and glitches internal to the capitalist reality program capitalism in fact is anything but realistic.*

## **SPY AGENCIES, INTELLIGENCE OPERATIONS, AND THE PEOPLE BEHIND THEM**

*Britannica Educational Publishing The idea of espionage might immediately bring to mind images of danger, state secrets, and cutting-edge technologies. While these can be elements of intelligence operations, they do not provide a complete picture.*

*There are numerous methods intelligence agencies, such as the CIA, might employ to gather information, and any number of threats that might be examined given the political climate of the day. This compelling volume examines the models intelligence agencies around the world have used both in the past and present, notable individuals, and the intelligence priorities of the Middle East and East Asia, two of the most politically volatile regions in recent history.*

## **WASHINGTON'S ANTICOMMUNIST CRUSADE AND THE MASS MURDER PROGRAM THAT SHAPED OUR WORLD**

---

*Hachette UK NAMED ONE OF THE BEST BOOKS OF 2020 BY NPR, THE FINANCIAL TIMES, AND GQ The hidden story of the wanton slaughter -- in Indonesia, Latin America, and around the world -- backed by the United States. In 1965, the U.S. government helped the Indonesian military kill approximately one million innocent civilians. This was one of the most important turning points of the twentieth century, eliminating the largest communist party outside China and the Soviet Union and inspiring copycat terror programs in faraway countries like Brazil and Chile. But these events remain widely overlooked, precisely because the CIA's secret interventions were so successful. In this bold and comprehensive new history, Vincent Bevins builds on his incisive reporting for the Washington Post, using recently declassified documents, archival research and eye-witness testimony collected across twelve countries to reveal a shocking legacy that spans the globe. For decades, it's been believed that parts of the developing world passed peacefully into the U.S.-led capitalist system. The Jakarta Method demonstrates that the brutal extermination of unarmed leftists was a fundamental part of Washington's final triumph in the Cold War.*

## **THE IMPORTANCE OF BEING HONEST**

---

---

## **HOW LYING, SECRECY, AND HYPOCRISY COLLIDE WITH TRUTH IN LAW**

---

*NYU Press Popular author Steven Lubet brings his signature blend of humor, advocacy, and legal ethics to *The Importance of Being Honest*, an incisive analysis of how honesty and law play out in current affairs and historical events. Drawing on original work as well as op-ed pieces and articles that have appeared in the *American Lawyer*, the *Chicago Tribune*, and many other national publications, Lubet explores the complex aspects of honesty in the legal world. *The Importance of Being Honest* is full of tales of questionable practices and poor behavior, chosen because negative examples are much richer, and often more remarkable, in their ultimate lessons. Wyatt Earp's shootout with Billy Clanton, Bill Clinton's disastrous decision to lie under oath, Oscar Wilde's self-destructive perjury in a 1896 libel trial, and the dubious resolution of Justice Scalia's duck hunting trip with Dick Cheney are only a*

*few of the cases Lubet use to illustrate that law is a vague and boggy realm where truth, and falsehood, is seldom absolute. With his lively, insightful, and sometimes hilarious prose, Lubet takes readers on a tour of the law in our everyday lives, and forces us to rethink how we really feel about honesty and truth.*

### **WITH AN INTRODUCTION BY JERRY SEINFELD**

---

*Random House Spoof letter writing has a long history from Lazlo Toth to Henry Root but nothing can prepare you for the uniquely surreal and endearing world of Ted L Nancy. A kind of Trigger Happy correspondence, his innocent requests, queries, complaints, demands and suggestions to hotels, airlines, multi-national corporations, local government and department stores are so absurd it is amazing they fool anyone - but often the deadpan responses are even more hilarious. Ted wants to know if he can graft his big toe onto his nose, why his wife left him while he was in a coma for another man in a coma, and if he can consummate his marriage in the administrative office of the chapel. He writes to hotels telling them he eats his mattress. He writes to casinos to ask if his band the 'Fat Beatles' can perform and if he can stay in their hotel dressed as a bladder. Utterly addictive and wet-yourself-in-a-public-place funny: Dear Business Permits Dept: I want to apply for a business permit in your fine city... I operate the SOUP & SLEEP RESTAURANTS. You can either order soup or sleep. A hostess will greet you and you would say, "I'd like to sleep." She will lead you to a table where you can catch a few winks. Dear Helena Ocean & Dog Licensing Dept: I will stage the play "MARK TWAIN WITH TOURETTE'S SYNDROME"... Let me know what arrangements I need to make to store my anchovy tank at your seaport. Thank you. I await large crowds.*
