NOW I CAN DIE IN PEACE

HOW ESPN'S SPORTS GUY FOUND SALVATION, WITH A LITTLE HELP FROM NOMAR, PEDRO, SHAWSHANK, AND THE 2004 RED SOX

ESPN Books The New York Times bestseller **Now I Can Die in Peace** is now available in paperback with a new afterword (and more footnotes) by the author "The Red Sox won the World Series." To Citizen No. 1 of Red Sox Nation, those seven words meant "No more 1918 chants. No more smug glances from Yankee fans. No more worrying about living an entire life -- that's eighty years, followed by death -- without seeing the Red Sox win a Series." But once he was able -- finally -- to type those life-changing words, Bill Simmons decided to look back at his "Sports Guy" columns for the last

five years to find out how the miracle came to pass. And that's where the trouble began. The result is *Now I Can Die in Peace*, a hilarious and fresh new look at some of the best sportswriting in America, with sharp, critical commentary (and fresh insights) from the guy who wrote it in the first place.

RIVALS

LEGENDARY MATCHUPS THAT MADE SPORTS HISTORY

University of Arkansas Press The sixteen original essays in this collection cover influential and famous rivalries from a variety of sports, including track and field, golf, boxing, basketball, tennis, ice skating, baseball, football, soccer, and more. The essays are diverse, but together they illustrate what is common to any rivalry: equally matched opponents that often have decidedly different backgrounds, styles, and personalities. These differences may center on race and culture, political and societal ideologies, personality, geography, or religion—a mix intensified by fans and the media. From highly publicized and emotionally charged individual competitions to bitterly fought team contests, *Rivals* illuminates what one-of-a-kind opponents and the passion they inspire tell us about ourselves and our society.

A PASTOR'S SKETCHES: OR, CONVERSATIONS WITH ANXIOUS INQUIRERS RESPECTING THE WAY OF SALVATION. WITH AN INTR. AND ED. NOTES, BY J.A. JAMES

THE COMPLETE WORKS OF C. H. SPURGEON, VOLUME 44

SERMONS 2549-2602

Delmarva Publications, Inc. **Volume 44 Sermons 2550-2602 Charles Spurgeon (19 June 1834 - 31 January 1892) is one of the church's most famous preachers and Christianity's foremost prolific writers. Called the "Prince of Preachers," he was one of England's most notable ministers for most of the second half of the nineteenth century, and he still remains highly influential among Christians of different denominations today. His sermons have spread all over the world, and his many printed works have been cherished classics for decades. In his lifetime, Spurgeon preached to more than 10 million people, often up to ten times each week. He was the pastor of the congregation of the New Park Street Chapel (later the Metropolitan Tabernacle) in London for 38 years. He was an inexhaustible author of various kinds of works including sermons, commentaries, an autobiography, as well as books on prayer, devotionals, magazines, poetry, hymns and more. Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration, and his oratory and writing skills held his audiences spellbound. Many Christians have discovered Spurgeon's messages to be among the best in Christian literature. Edward Walford wrote in *Old and New London: Volume 6 (1878)* quoting an article from the Times regarding one of Spurgeon's meetings at Surrey: "Fancy a congregation consisting of 10,000 souls, streaming into the hall, mounting the galleries, humming, buzzing, and swarming—a mighty hive of bees—eager to secure at first the best places, and, at last, any place at all. After waiting more than half an hour—for if you wish to have a seat you must be there at least that space of time in advance—Mr. Spurgeon ascended his tribune. To the hum, and rush, and trampling of men, succeeded a low, concentrated thrill and murmur of devotion, which**

seemed to run at once, like an electric current, through the breast of every one present, and by this magnetic chain the preacher held us fast bound for about two hours. It is not my purpose to give a summary of his discourse. It is enough to say of his voice, that its power and volume are sufficient to reach every one in that vast assembly; of his language, that it is neither high-flown nor homely; of his style, that it is at times familiar, at times declamatory, but always happy, and often eloquent; of his doctrine, that neither the 'Calvinist' nor the 'Baptist' appears in the forefront of the battle which is waged by Mr. Spurgeon with relentless animosity, and with Gospel weapons, against irreligion, cant, hypocrisy, pride, and those secret bosom-sins which so easily beset a man in daily life; and to sum up all in a word, it is enough to say of the man himself, that he impresses you with a perfect conviction of his sincerity." More than a hundred years after his death, Charles Spurgeon's legacy continues to effectively inspire the church around the world. For this reason, Delmarva Publications has chosen to publish the complete works of Charles Spurgeon.

HILLARY

AMERICA'S FIRST DICTATOR

Trafford Publishing This current book describes my belief (with input from a great many people) as to how this country got to where it is today, where I fear it is going, and my absolute terror that the American people will elect Hillary in 2008. Why terror at her election? Because that will launch the country toward a totalitarian government. We no longer can believe that our elected officials are patriots. They are more acclimated to power and less concerned about the people and the country's history. The book is a departure from the others. It came to mind when watching a TV discussion group talking about whether Hillary would run for President in 2004. I was terrified that she would run and win. I then thought about it and decided I had some excellent reasons why she would not run in 2004 but would wait until 2008. The book goes into depth concerning the dangers to the Country of electing Hillary. My first three books: *There Are No Bad Kids*, *"Never Underestimate the Arrogance or Stupidity of Government and High On Life* were all published by 1st Books Library. The first was written as a result of a traumatic experience in our lives and the second describes what I believe created that trauma. *"High On Life"* creates a completely different atmosphere. The title came as the result of one of my children becoming hooked on cocaine. I faithfully believe that no one needs a narcotic to get high -- Life is the only high necessary!

THE BEST NATIVE AMERICAN MYTHS, LEGENDS, AND FOLKLORE VOL. 3

Light Of The Moon Publishing **Continuing the series The Best Native American Myths, Legends, and Folklore, Volume 3 offers an enjoyable look into the history of the Native American Indian. Before the time of books, computers, tablets and recording devices, the history of many cultures was passed down, from person to person, by word of mouth. The rich histories of so many people were told in songs, chants, poems and stories. This was and still is the way of Native American tribes. Each in its own way enriching their stories with their own experiences. By reliving these stories and songs, we have the opportunity to bring life back to the ancient spirits that created them. We have a chance to walk with the spirits of the past. Being there were so many different tribes with countless beliefs and customs, the only way to understand their ways is through understanding their stories. In this book I have endeavored to show a wide landscape of different tribes and hopefully present a true look at their beliefs. Among the stories included in this collection are: The Alligator and The Hunter, Mistakes of Old Man, The Badger and the Bear, The Bird Tribes, The Spider Woman and the Twins, The Woman and Her Bear, Creation Story, Yaponcha - The Wind God, How Fire Came To the Six Nations, The Origin of the Prairie Rose, The Bird Whose Wings Made the Wind, A Widow's Revenge, The Story of a Poor Man, Heavy Collar and the Ghost Woman, Bluejay Finds a Wife, The Medicine Grizzly Bear, A Little Brave and the**

JESUS CHANGES EVERYTHING!

DEVOTIONS FOR ADVENT AND LENT

AuthorHouse **Sometimes stories as familiar as the Christmas and Easter stories become just that: stories. We have heard them so many times that we don't really hear them anymore. Through story-poems, most of which are told from the perspectives of those who lived these stories, Jesus Changes Everything invites you to relive these history-changing events. Be amazed with Mary as she hears Gabriel's incredible news and accepts God's plan for her life. Respect Joseph as he reacts to shocking news with honor and obedience. Travel to Bethlehem and witness the birth of a tiny baby in a humble manger. Join the shepherds, the first to visit the Savior and worship the Lord. Marvel with Simeon who recognizes the Messiah as he lovingly holds Him in his arms. Oh, Christmas changed everything! Then fast-forward to Jesus' last days on Earth. Travel with Him into Jerusalem and watch Him teach and overturn the Temple tables. Agonize with Him in the garden of Gethsemane; observe Him then as He rises resolutely to meet His captors. Watch, if you can, the injustice of His trials and hear with horror His sentence: crucifixion. Behold His suffering, death, and burial. Then rejoice with His resurrection! Celebrate His victory--our victory--over sin and death. Yes, Easter changed everything. Once we meet Jesus, our lives will never be the same. He became one of us, loved us, taught us, and redeemed us. Thank God, Jesus Changes Everything!**
