EIGIL KNUTH'S ARCHAEOLOGICAL INVESTIGATIONS IN PEARY LAND AND ADJACENT AREAS OF HIGH ARCTIC GREENLAND

Museum Tusulanum Press An important part of the heritage of Count Eigil Knuth (1903-1996) is his archaeological archive containing contextual information on prehistoric sites gathered during six decades of research in High Arctic Greenland. The finds and observations are a key to the understanding of human life under extreme conditions in a long-term perspective and represent a unique piece of evidence concerning the early cultural history of the Eastern Arctic. Knuth's expeditions from 1932 to 1995 took him to Greenland and Canada, in particular High Arctic Greenland. In a number of important articles Knuth published the findings dating back to the earliest human settlement in Greenland. However, he never managed to present the complete body of information and results from his many investigations. The present authors have thus compiled a computer database on the basis on his archive, which constitutes the starting point of the present book. The book focuses on Knuth's most substantial contribution to archaeology: the prehistory of Peary Land and adjacent areas. In the catalog, emphasis has been placed on topographical and architectural information, site structure, artefact statistics and radiocarbon dates. A total of 154 archaeological sites are presented. Fifty-one sites with a total of 244 features are Independence I sites (c. 2460-1860 cal. BC), twenty-three sites with a total of 416 features belong to Independence II (c. 900-400 cal. BC) and sixty-three sites with a total of 626 features are of Thule origin (c. 1400-1500 ca. AD). This study presents some new information on the faunal material from Peary Land based on Christyann Darwent's recent analyses as well as new data on the dwelling features on the Adam C. Knuth Site, which was visited by a multidisciplinary team in 2001. It also offers an introduction presenting an overview and evaluation of Knuth's remarkable curriculum vitae as an independent arctic archaeologist. In the concluding chapters some basic statistics on the archaeological sites are presented. We evaluate Knuth's radiocarbon datings of the Independence I, Independence II and Thule cultures in High Arctic Greenland, and settlement distributions and settlement patterns for the three cultures represented in Peary Land are discussed.

GENERAL INFORMATION 1997

DAVID VIZARD'S HOW TO PORT AND FLOW TEST CYLINDER HEADS

CarTech Inc Author Vizard covers blending the bowls, basic porting procedures, as well as pocket porting, porting the intake runners, and many advanced procedures. Advanced procedures include unshrouding valves and developing the ideal port area and angle.

THE WANKEL ENGINE: DESIGN, DEVELOPMENT, APPLICATIONS

INTERNAL COMBUSTION ENGINES

PERFORMANCE, FUEL ECONOMY AND EMISSIONS

Woodhead Publishing This book presents the papers from the Internal Combustion Engines: Performance, fuel economy and emissions held in London, UK. This popular international conference from the Institution of Mechanical Engineers provides a forum for IC engine experts looking closely at developments for personal transport applications, though many of the drivers of change apply to light and heavy duty, on and off highway, transport and other sectors. These are exciting times to be working in the IC engine field. With the move towards downsizing, advances in FIE and alternative fuels, new engine architectures and the introduction of Euro 6 in 2014, there are plenty of challenges. The aim remains to reduce both CO2 emissions and the dependence on oil-derivate fossil fuels whilst meeting the future, more stringent constraints on gaseous and particulate material emissions as set by EU, North American and Japanese regulations. How will technology developments enhance performance and shape the next generation of designs? The book introduces compression and internal combustion engines' applications, followed by chapters on the challenges faced by alternative fuels and fuel delivery. The remaining chapters explore current improvements in combustion, pollution prevention strategies and data comparisons, presents the latest requirements and challenges for personal transport applications gives an insight into the technical advances and research going on in the IC Engines field provides the latest developments in compression and spark ignition engines for light and heavy-duty applications, automotive and other markets

VICTORY MOTORCYCLES 1998-2017

THE COMPLETE HISTORY OF AN AMERICAN ORIGINAL

With the 1998 debut of its V92C, Victory Motorcycles became the New American Motorcycle. Victory's innovative, stylish heavyweight cruiser motorcycles attracted a loyal, hard-riding following, but not the market share needed to survive. This richly illustrated book covers the brand's history model-by-model and analyzes why the parent company announced in early 2017 that its Victory division would cease operation. This book also features a full reprint of the collectible first Victory history from 1998, The Victory Motorcycle.

The descriptions and specifications contained in this manual were in effect at the time this manual was approved for printing.

THE DATHÁVANSA, OR, THE HISTORY OF THE TOOTH-RELIC OF GOTAMA BUDDHA

THE PÁLI TEXT AND ITS TRANSLATION INTO ENGLISH, WITH NOTES

Legare Street Press This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

TOWARDS UNDERSTANDING THE INTRINSIC IN BODY MOVEMENT

ADDRESSING CHALLENGING MOMENTS IN PSYCHOTHERAPY

CLINICAL WISDOM FOR WORKING WITH INDIVIDUALS, GROUPS AND COUPLES

New International Library of Group Analysis "This practical and helpful volume details how clinicians can work through various and common challenges inherent to psychotherapy, whether within the context of individual, marital, or group settings. Chapters draw upon wisdom gleaned from the author's 48 years as a practicing psychiatrist to address topics such as using countertransference for therapeutic purposes; resistance, especially when it needs to be the focus of the therapy; and a prioritization of exploration over explanation and favor working in the here-and-now. Along with theory and clinical observations, Dr. Gans offers a series of "Clinical Pearls," pithy comments that highlight different interventions to a wide range of clinical challenges. These include patient hostility, the abrupt termination of therapy, treating a couple that's lost compassionate neutrality, and more. In addition to offering advice and strategies for therapists, the book also addresses foundational concerns like the matter of fees in private practice and the virtue of moral courage on the part of the therapist. Written with clarity, heart, and an abundance of clinical wisdom, Challenging Moments in Psychotherapy is essential reading for all clinicians, teachers, and supervisors of psychotherapy"--

ENGINE ESSENTIALS

MicroStrategy Inc. The MicroStrategy Engine Essentials course explains the inner workings of the MicroStrategy Engine. In this course, you will study specific reporting scenarios and the MicroStrategy Engine's techniques for composing the SQL queries that produce MicroStrategy reports. You will study concepts such as level metrics, transformation metrics, custom groups, and relationship filters from a SQL point of view. The course also reviews the most commonly used VLDB Properties.

JANE'S INFANTRY WEAPONS 2011-2012

Janes Information Group 'Jane's Infantry Weapons 2012-2012' provides the reader with a detailed country-by-country analysis of all small arms and crew-served weapons in service around the world. Details of development, technical description, specifications and images ensure ease of identification.

ILLUSTRATED POLARIS SNOWMOBILE BUYER'S GUIDE

PHP & MYSQL: THE MISSING MANUAL

"**O'Reilly Media, Inc.**" If you can build websites with CSS and JavaScript, this book takes you to the next level—creating dynamic, database-driven websites with PHP and MySQL. Learn how to build a database, manage your content, and interact with users. With step-by-step tutorials, this completely revised edition gets you started with expanded coverage of the basics and takes you deeper into the world of server-side programming. The important stuff you need to know: Get up to speed quickly. Learn how to install PHP and MySQL, and get them running on both your computer and a remote server. Gain new techniques. Take advantage of the all-new chapter on integrating PHP with HTML web pages. Manage your content. Use the file system to access user data, including images and other binary files. Make it dynamic. Create pages that change with each new viewing. Build a good database. Use MySQL to store user information and other data. Keep your site working. Master the tools for fixing things that go wrong. Control operations. Create an administrative interface to oversee your site.

THE MILITARY BALANCE 2015

Routledge The Military Balance is an authoritative assessment of the military capabilities and defence economics of 171 countries. Detailed A-Z entries list each country's military organisation, personnel numbers, equipment inventories, and relevant economic and demographic data. Regional and select country analyses cover the major developments affecting defence policy and procurement, and defence economics. The opening graphics section displays notable defence statistics, while additional data-sets detail selected arms orders, military exercises and deployments, as well as comparative defence expenditure and personnel numbers. The Military Balance is an indispensable handbook for anyone conducting serious analysis of security policy and military affairs. The International Institute for Strategic Studies, founded in 1958, is an independent centre for research, analysis and debate on the problems of conflict, however caused, that have, or potentially have, an important military dimension.

LIFE IN THE FAST LANE

Hachette UK Steve Matchett was the rear jack man in the Benetton pit lane team, and was himself engulfed in the terrible fire at Hockenheim. In Life in the Fast Lane he reveals the full, inside story of the 1994 season, including the death of Ayrton Senna, the Hockenheim fire, and disqualifications as the Benetton and Williams teams battled for the Drivers' Championship. The final showdown came in Adelaide, the last race of the season, with the controversial accident when Schumacher of Benetton and Hill of Williams collided. Matchett's story of the frantic and unending behind-the-scenes activity in the effort to be the fastest and best in the world is a fascinating account of the high-pressure world of Formula One motor racing.
