KEY=45 - DARIEN RIGGS

The Theatrical Firearms Handbook

CRC Press **The Theatrical Firearms Handbook is the essential guide to navigating the many decisions that are involved in the safe and effective use of firearm props for both the stage and screen. It is an invaluable resource for fight choreographers, props designers, backstage crew, directors, actors, stage managers, and more, at all levels of experience. Written in an informal and entertaining manner, with over 100 illustrations, it establishes baseline safety protocol while empowering performers and designers to tell their story of conflict in a way that makes the most of both established convention and current tools of the trade. Within these pages you'll find practical instruction couched in the language of theatre and film, making firearms technology and concepts approachable to dramatic artists without any dumbing-down of the subject material. This handbook is equally at home within the worlds of academic training, professional performance, and independent or community theatre and video productions.**

The Handgun Guide for Women

Shoot Straight, Shoot Safe, and Carry with Confidence

Zenith Press **This manual reflects an impassioned belief in the 2nd Amendment, and is a must have for any woman interested in buying, owning, and securely keeping a gun.**

The Gun Digest Book of the 1911

Gun Digest Books **Does Your 1911 Stack Up? & break;& break;When John Browning designed the Model 1911 pistol for Colt's Manufacturing Co. he created the standard by which pistols have been judged for more than 90 years. & break;& break;Now Patrick Sweeney provides the first in-depth look at the Model 1911 in all its forms, complete with information on ammunition, after-market parts and performance testing of semi-custom guns. This book shows you what the 1911 is and what it can become. If you own a 1911 now or have ever considered buying one, this book is for you.**

Lyman Reloading Handbook

Total Gun Manual (Field & Stream)

Updated and Expanded! 375 Essential Shooting Skills

Simon and Schuster Shares insider hints, stories from the range and field, and hands-on guidance for the first-time gun owner and the seasoned veteran alike, offering advice on choosing the right gun, increasing shot accuracy, and staying safe.

Handbook of Handguns

Lulu.com In light of the 2nd Amendment debates, shooting may become the national passtime. To act responsibly within the 2nd Amendment, means knowing how to properly "bear arms". Knowing involves understanding firearm types, firearm operation, ammunition, internal ballistics, and shooting. These require training, especially shooting. Whether you own or plan to own a handgun for recreation, competition, or self-defense, training is of the utmost importance. When you fire a projectile (bullet) from a firearm, you are responsible for where it goes. You need to understand how fast it travels, how far it can travel, and how accurate your firearm is in delivering the projectile to your intended target. Yes, bearing arms is a right, but not one to be taken lightly. Firing a handgun is a grave responsibility and must be done correctly and with a full understanding of all the components that make up "shooting".

Handgun Buyer's Guide

A Complete Manual to Buying and Owning a Personal Firearm

Simon and Schuster The one-stop-shop for prospective handgun buyers. The market for new handguns is expanding rapidly, and that's good news for consumers. Each year more and more new models break cover and there has never been a better time to be in the market for a new handgun, whether you're a recreational shooter, a concealed carry permit holder, a hunter or a serious competitive shooter. Today's handguns offer superb machining and utilize some of the most technologically-advanced alloys, polymers and finishes to help make the current crop of handguns lightweight, accurate, durable, and affordable. This increase in product offerings stem from new interest in handguns, primarily as a result of nationwide issuance of concealed carry permits. As laws have been enacted that protect the rights of gun owners and defend our personal liberties, more and more new shooters are showing up on the range. But

first-time shooters and new concealed carry permit holders are not the only segment of the handgun market that is seeing growth and interest. Pistol competitions have become more popular and more advanced, evolving from slow-fire matches at local gun clubs to modern IPSC, IDPA and 3-gun competitions. Handgun Buyer's Guide will help both the bewildered new shooter find their feet and purchase a handgun, find the best accessories, and locate a place to practice on hone their skills. You'll find all you need for owning a handgun in the Handgun Owner's Guide! Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Handguns 2003

Fallout: New Vegas - Strategy Guide

Gamer Guides **The year is 2281 - two hundred years after the old world was eradicated by nuclear fire - and now the New California Republic has become powerful along the western coast of what used to be the United State of America. They've expanded east into Nevada, but across the Colorado river to the east a united army of tribals - Caesar's Legion - have been organized under the guise of ancient Rome. War never changes, and impending conflict looms between the two sides, the prize being the Hoover Dam and control over the Mojave. Stuck in the middle are the residents of Nevada and the jewel in the desert; the city of New Vegas. But the mysterious overlord of New Vegas has his own plans for the future of the Mojave... You are Courier six, an employee of the Mojave Express who has been entrusted with delivering a mysterious Platinum Chip. The delivery goes horribly awry, however, and after you are robbed and nearly killed for the package you were carrying, you must set out in pursuit of your attackers. Along the way you'll have to navigate the political struggles between factions both large and small, making friends and enemies between the various groups as your actions in the Mojave**

influence your reputation. Ultimately, a new overlord of the Mojave will be crowned... but will you place that crown upon the brow of Caesar, the New California Republic, the mysterious ruler of New Vegas... or yourself? This guide offers the following: - Character creation strategies including a run-down of SPECIAL attributes, Skills and Perks. - An ideal chronological order of events walkthrough that will take you through the entire Mojave. - Complete walkthrough of all the main quests and side quests, including faction quests and endings. - A power-gamey New Vegas Medical Center run, for those gamers who want to get off to a great start. - Information about factions and reputation. - The locations of stat-boosting Skill Books, unique weapons and armor and collectible Snowglobes. - A Trophy Guide including detailed information (when necessary) about how to obtain all the game's trophies. - Old World Blues DLC.

The Writer's Guide to Weapons A Practical Reference for Using Firearms and Knives in Fiction

Penguin When it comes to writing weapons, most authors shoot from the hip--and miss. The Writer's Guide to Weapons will help you hit your target every time. Firearms and knives have starring roles in a wide range of genres--crime, thriller, war, mystery, Western, and more. Unfortunately, many depictions of weapons in novels and film are pure fiction. Knowing the difference between a shotshell and a slug, a pistol and a revolver, or a

switchblade and a butterfly knife is essential for imbuing your story with authenticity--and gaining popularity with discerning readers. Inside you'll find:

- An in-depth look at the basics of firearms and knives: how they work, why they work, what they look like, and how to depict them accurately in your stories.
- The biggest weapons myths in fiction, TV, and film.
- A surefire guide for choosing the correct weapon for your characters, no matter their skill level, strength, or background.
- A review of major gun and knife laws, weapons safety tips, and common police tactics.
- "The Hit List," showcasing the most popular weapons for spies, detectives, gunslingers, gangsters, military characters, and more.
- Examples highlighting inaccurate vs. accurate weapons depictions.
- An insightful foreword by David Morrell, the award-winning creator of Rambo.

Equal parts accessible, humorous, and practical, *The Writer's Guide to Weapons* is the one resource you need to incorporate firearms and knives into your fiction like a seasoned professional.

Gun Trader's Guide

The latest edition of this authoritative reference presents the firearms values of handguns, rifles, and shotguns manufactured by U.S. and foreign gunmakers since 1900. Numerous illustrations and specifications provide invaluable information to firearms collectors, hunters, law enforcement officials, and others. A classic reference for more than 40 years.

Handguns '90

DBI Books

Survival Guns: A Beginner's Guide

Prepper Press *Survival Guns: A Beginner's Guide* is the first firearms book in the *Survival Guns* series that covers building a basic firearm battery. Steve Markwith will take the reader through the process of selecting and buying firearms and accessories via a planned process that meets your needs and budget. Steve outlines some underlying principles to work toward the goal of building a coordinated battery, beginning with just a short list of "essential systems" that constitute a baseline inventory. The book's premise is built on starting with a clean slate. While some readers may already own guns and pursue the tendency to weave what they already own into the mix, those end results may be less than ideal. Steve takes the reader through a logical approach to building a planned but practical collection that will suit a variety of needs. While this book, and Steve's similar manuals, is written for beginning-to-intermediate users, those familiar with firearms will also find the content of value. The information contained within is detailed, covering far more than just a firearm itself, leaving the reader confident in his/her plan to acquire guns and

accessories in a reasoned, logical way.

Cartridge Reloading in the Twenty-First Century

Tools, Tips, and Comprehensive Information

Simon and Schuster **A comprehensive guide to modern cartridge reloading, Cartridge Reloading in the Twenty-First Century provides detailed information about getting started in reloading, selecting the basic tools needed, and choosing your components as well as step-by-step instructions for reloading rifle and handgun cartridges and how to test your loads at the range. The text is supplemented by more than one hundred detailed photographs that illustrate the various types of reloading equipment available and provide guidance in performing the actions that result in a handloaded cartridge. Cartridge Reloading in the Twenty-First Century covers many common problems the handloader may experience, provides unique information about reloading the .50 caliber BMG, and highlights the changes between reloading in the twenty-first century and reloading in the mid-twentieth century. Not only for beginners, Cartridge Reloading in the Twenty-First Century offers advanced reloading information that describes special reloading tools as well as techniques for improving the accuracy of your handloads. The content of Cartridge Reloading in the Twenty-First Century will appeal to both someone considering reloading rifle or handgun cartridges as well as a person who already has acquired some experience in cartridge reloading.**

Police Bookshelf **Discusses marksmanship and firearm safety, and advises police officers on combat shooting, off-duty and backup guns, and self-defense**

SAS Ultimate Guide to Combat How to Fight and Survive in Modern Warfare

Bloomsbury Publishing I've written this book to help you - the soldier - kill the enemy when you get the chance and, most importantly, come back home in one piece. To achieve this aim I've covered combat training from boot camp up to the level required of a Special Forces soldier. And then gone on to add a few tricks of my own. I've done a bit of soldiering (Northern Ireland, SAS deployments, Bush Wars in Africa, life as a merc) and been in my fair share of fire-fights. I've only been wounded twice and learnt from both occasions. I'm going to use my experience to teach you to play the game. I'm not going to teach you how to survive in snowy mountains for a month with only one tea-bag or how to kill a room full of people with only a toothpick. There are plenty of books that do that already. This book will teach you how to fight and survive war in the 21st century from the tools of the trade, to avoiding getting shot or blown-up, from surviving an interrogation to defending a position. This is a book not for the faint hearted. But then neither is war.

Gun Digest

The Prepper Next Door

HCM Publishing A book for practical preppers (those planning for emergencies or disasters). Discusses food storage, water purification and collection, sanitation, first-aid, bug-out bags, bug-out vehicles, home and self-defense, firearms and shooting, providing lights and utilities, and aspects of home construction. -- AUTHOR BIO Charlie Palmer became a prepper back in the early 1980s when he first read The Survivor newsletter. Today he recommends people make modest preparations for natural disasters and other emergencies. His interests include do-it-yourself repairs, shooting, welding, machining, and outdoor survival.

Handguns 2004

The catalog section is fully updated and expanded with new feature articles providing the latest on trends, gun tests, self-defense, and handgun hunting.

The Ultimate Book of Gunfighting

A Practical Guide to Defending Yourself

Simon and Schuster **Know how to win in a gunfight and protect yourself—and your family. Many handgunners are content in their ability to fire accurately and produce small groups on paper. The realities of gunfighting are far different. Robert K. Campbell examines every aspect of gunfighting, stressing the ability to defend yourself safely. He covers the basics of marksmanship and how to avoid bad habits as shooters develop their skill. Campbell also provides a thorough discussion of types of handguns and choosing which personal firearm to purchase. He reviews the differences between round and square guns, service handguns, and compact carry guns. Other accessories are also reviewed, including holsters, belts, vests, and ammunition—everything you need for the concealed carry lifestyle. Other key topics include: Close quarters combat Presentation from the holster Firing when moving Cover and concealment Hostage rescue and firing in crowds And much more! Once well-versed in the gunfighter's basics, Campbell offers such further tips for students as clearing malfunctions the "army way," and executing speed loads, and finding a good place to shoot. The Ultimate Book of Gunfighting is the perfect resource for handgunners looking for technique, discipline, and recommendations for service-grade equipment. Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.**
