KEY=LOVE - SKYLAR MCKENZIE

SALVATION

BLACK PEOPLE AND LOVE

HarperCollins "A manual for fixing our culture...In writing that is elegant and penetratingly simple, [hooks] gives voice to some things we may know in our hearts but need an interpreter like her to process."—*Black Issues Book Review* New York Times bestselling author, acclaimed visionary and cultural critic bell hooks continues her exploration of the meaning of love in contemporary American society, offering groundbreaking, critical insight about Black people and love. Written from both historical and cultural perspectives, *Salvation* takes an incisive look at the transformative power of love in the lives of African Americans. Whether talking about the legacy of slavery, relationships and marriage in Black life, the prose and poetry of Martin Luther King, Jr., James Baldwin, and Maya Angelou, the liberation movements of the 1950s, 60s, and 70s, or hip hop and gangsta rap culture, hooks lets us know what love's got to do with it. Combining the passionate politics of W.E.B. DuBois with fresh, contemporary insights, hooks brilliantly offers new visions that will heal our nation's wounds from a culture of lovelessness. Her writings on love and its impact on race, class, family, history, and popular culture will help us heal and create beloved American communities.

SALVATION

BLACK PEOPLE AND LOVE

William Morrow Acclaimed visionary and intellectual, bell hooks began her exploration of the meaning of love in American culture with the bestselling *All About Love: New Visions*. Here she continues her love song to the nation with the groundbreaking and soul-stirring *Salvation: Black People and Love*. Intimate and revolutionary, *Salvation* is a gift as provocative as it is healing. Written from a historical and cultural perspective, *Salvation* takes an incisive look at the transformative power of love in the lives of African-Americans. Whether talking about the legacy of slavery, relationships, and marriage in black life, the prose and poetry of Martin Luther King Jr., James Baldwin, Malcolm X, and Maya Angelou, the liberation movements of the 1950s, '60s, and '70s, sexual pain or pleasure, hip-hop and gangsta rap culture, addiction, greed, or the failure of black leadership, hooks lets us know what love's got to do with it. Combining the passionate politics of W. E. B. DuBois with fresh, contemporary insights, hooks brilliantly offers new visions that will heal our nation's wounds from a culture of lovelessness. Her writings on love and its inextricable links to race, class, family, history, and popular culture raise one pivotal question: How can we create beloved American communities? *Salvation* is bell hooks's journey to answer this question—an offering for everyone who cares about the souls of black folk.

SALVATION

BLACK PEOPLE AND LOVE

Harper Collins Acclaimed visionary and intellectual bell hooks began her exploration of the meaning of love in American culture with the bestselling *All About Love: New Visions*. Here she continues her love song to the nation in the groundbreaking and soul-stirring *Salvation: Black People and Love*. Whether talking about the legacy of slavery, relationships and marriage in Black life, the prose and poetry of our most revered artists and leaders, the liberation movements of the 1950s, '60s, and '70s, or hip-hop and gangsta rap culture, hooks lets us know what love's got to do with it. *Salvation* is work that helps us heal -- and shows us how to create beloved American communities.

BLACK MEN AND MASCULINITY

Psychology Press Discusses what black males fear most, their longing for intimacy, the pitfalls of patriarchy, and the destruction of oppression through redemption and love.

HAPPY TO BE NAPPY

Jump At The Sun Celebrates the joy and beauty of nappy hair.

COMMUNION

THE FEMALE SEARCH FOR LOVE

HarperCollins "When truth teller and careful writer bell hooks offers a book, I like to be standing at the bookshop when it opens."

–Maya Angelou Renowned visionary bell hooks explored the meaning of love in American culture with the critically acclaimed bestseller *All About Love: New Visions*. She continued her national dialogue with the bestselling *Salvation: Black People and Love*. Now hooks culminates her triumphant trilogy of love with *Communion: The Female Search for Love*. Intimate, revealing, provocative, *Communion* challenges every woman to courageously claim the search for love as the heroic journey we must all choose to be truly free. In her trademark commanding and lucid language, hooks explores the ways ideas about women and love were changed by the feminist movement, by women's full participation in the workforce, and by the culture of self-help, and reveals how women of all ages can bring love into every aspect of their lives, for all the years of their lives. *Communion* is the heart-to-heart talk every woman -- mother, daughter, friend, and lover -- needs to have.

ALL ABOUT LOVE

NEW VISIONS

HarperCollins A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The *Utne Reader* declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

THE WILL TO CHANGE

MEN, MASCULINITY, AND LOVE

Simon and Schuster Everyone needs to love and be loved—even men. But to know love, men must be able to look at the ways that patriarchal culture keeps them from knowing themselves, from being in touch with their feelings, from loving. In *The Will to Change*, bell hooks gets to the heart of the matter and shows men how to express the emotions that are a fundamental part of who they are—whatever their age, marital status, ethnicity, or sexual orientation. But toxic masculinity punishes those fundamental emotions, and it's so deeply ingrained in our society that it's hard for men to not comply—but hooks wants to help change that. With trademark candor and fierce intelligence, hooks addresses the most common concerns of men, such as fear of intimacy and loss of their patriarchal place in society, in new and challenging ways. She believes men can find the way to spiritual unity by getting back in touch with the emotionally open part of themselves—and lay claim to the rich and rewarding inner lives that have historically been the exclusive province of women. A brave and astonishing work, *The Will to Change* is designed to help men reclaim the best part of themselves.

WHEN ANGELS SPEAK OF LOVE

Simon and Schuster From writer, critic, and popular cultural icon bell hooks comes a seductive portrait of passion in fifty soul-stirring poems. *When Angels Speak of Love* heralds the debut of a major new poet: bell hooks. World renowned for her courageous, provocative intellectual writing and her alluring charisma, hooks poetically engages the erotic imagination -- creating a tapestry of words that are sensual, lush, and profoundly inspiring. In this beautiful new collection, hooks illuminates our experiences with love -- tracing the link between seduction and surrender; the intensity of desire; and the anguish of death. hooks's previous four titles on the topic of love -- from *All About Love* to *The Will to Change* -- have made her the go-to source for readers longing to bring more love into every aspect of their lives. These words are meant to be read aloud and learned by heart. This ecstatic collection affirms hooks's position as the high priestess of love.

WRITING BEYOND RACE

LIVING THEORY AND PRACTICE

Routledge What are the conditions needed for our nation to bridge cultural and racial divides? By "writing beyond race," noted cultural critic bell hooks models the constructive ways scholars, activists, and readers can challenge and change systems of domination. In the spirit of previous classics like *Outlaw Culture* and *Reel to Real*, this new collection of compelling essays interrogates contemporary cultural notions of race, gender, and class. From the films *Precious* and *Crash* to recent biographies of Malcolm X and Henrietta Lacks, hooks offers provocative insights into the way race is being talked about in this "post-racial" era.

THE MASTER'S TOOLS WILL NEVER DISMANTLE THE MASTER'S HOUSE

Penguin UK From the self-described 'black, lesbian, mother, warrior, poet', these soaring, urgent essays on the power of women, poetry and anger are filled with darkness and light. *Penguin Modern: fifty new books celebrating the pioneering spirit of the iconic Penguin Modern Classics series, with each one offering a concentrated hit of its contemporary, international flavour. Here are authors ranging from Kathy Acker to James Baldwin, Truman Capote to Stanislaw Lem and George Orwell to Shirley Jackson; essays radical and inspiring; poems moving and disturbing; stories surreal and fabulous; taking us from the deep South to modern Japan, New York's underground scene to the farthest reaches of outer space.*

BREAKING BREAD

INSURGENT BLACK INTELLECTUAL LIFE

Taylor & Francis In this provocative and captivating dialogue, bell hooks and Cornel West come together to discuss the dilemmas, contradictions, and joys of Black intellectual life. The two friends and comrades in struggle talk, argue, and disagree about everything from community to capitalism in a series of intimate conversations that range from playful to probing to revelatory. In evoking the act of breaking bread, the book calls upon the various traditions of sharing that take place in domestic, secular, and sacred life where people come together to give themselves, to nurture life, to renew their spirits, sustain their hopes, and to make a lived politics of revolutionary struggle an ongoing practice. This 25th anniversary edition continues the dialogue with "In Solidarity," their 2016 conversation at the bell hooks Institute on racism, politics, popular culture and the contemporary Black experience.

ROCK MY SOUL

BLACK PEOPLE AND SELF-ESTEEM

Simon and Schuster World-renowned scholar and visionary bell hooks takes an in-depth look at one of the most critical issues facing African Americans: a collective wounded self-esteem that has prevailed from slavery to the present day. Why do so many African-Americans—whether privileged or poor, urban or suburban, young or old—live in a state of chronic anxiety, fear, and shame? *Rock My Soul: Black People and Self-Esteem* breaks through collective denial and dares to tell this truth—that crippling low self-esteem has reached epidemic proportions in our lives and in our diverse communities. With visionary insight, hooks exposes the underlying reality that it has been difficult—if not impossible—for our nation to create a culture that promotes and sustains healthy self-esteem. Without self-esteem people begin to lose their sense of agency. They feel powerless. They feel they can only be victims. The need for self-esteem never goes away. But it is never too late for any of us to acquire the healthy self-esteem that is needed for a fulfilling life. hooks gets to the heart and soul of the African-American identity crisis, offering critical insight and hard-won wisdom about what it takes to heal the scars of the past, promote and maintain self-esteem, and lay down the roots for a grounded community with a prosperous future. She examines the way historical movements for racial uplift fail to sustain our quest for self-esteem. Moving beyond a discussion of race, she identifies diverse barriers keeping us from well-being: the trauma of abandonment, constant shaming, and the loss of personal integrity. In highlighting the role of desegregation, education, the absence of progressive parenting, spiritual crisis, or fundamental breakdowns in communication between black women and men, bell hooks identifies mental health as the new revolutionary frontier—and provides guidance for healing within the black community.

LIVING WHILE BLACK

USING JOY, BEAUTY, AND CONNECTION TO HEAL RACIAL TRAUMA

Beacon Press A Guardian "Best Book of 2021" Selection A powerful look at the impacts of anti-Black racism and a practical guide for overcoming racial trauma through radical self-care as a form of resistance Over the past 15 years, radical psychologist Guilaine Kinouani has focused her research, writing, and workshops on how racism affects both physical and mental health. *Living While Black* gives voice to the diverse, global experiences of Black people, using personal stories, powerful case studies, and eye-opening research to offer expert guidance on how to set boundaries and process micro-aggressions; protect children from racism; handle difficult race-based conversations; navigate the complexities of Black love; and identify and celebrate the wins. Based on her findings, Kinouani has devised tried-and-tested strategies to help protect Black people from the harmful effects of verbal, physical, and structural racism. She empowers Black readers to adopt self-care mechanisms to improve their day-to-day wellness to help them thrive, not just survive, and to find hope and beauty—or even joy—in the face of racial adversity. She also provides a vital resource for allies seeking to better understand the impacts of racism and how they can help. With the rise of far-right ideologies and the increase of racist hate crimes, *Living While Black* is both timely and instrumental in moving conversations from defining racism for non-Black majorities to focusing on healing and nurturing the mental health of those facing prejudice, discrimination, and the lasting effects of the violence of white supremacy.

SISTERS OF THE YAM

BLACK WOMEN AND SELF-RECOVERY

Routledge In *Sisters of the Yam*, bell hooks reflects on the ways in which the emotional health of black women has been and continues to be impacted by sexism and racism. Desiring to create a context where black females could both work on their individual efforts for self-actualization while remaining connected to a larger world of collective struggle, hooks articulates the link between self-recovery and political resistance. Both an expression of the joy of self-healing and the need to be ever vigilant in the struggle for equality, *Sisters of the Yam* continues to speak to the experience of black womanhood.

APPALACHIAN ELEGY

POETRY AND PLACE

University Press of Kentucky A collection of poems centered around life in Appalachia addresses topics ranging from the marginalization of the region's people to the environmental degradation it has endured throughout history.

BONE BLACK

MEMORIES OF GIRLHOOD

Women's Press (UK) A personal memoir, as well as a political polemic, *Bone Black* carries the additional appeal of providing a poignant and lyrical insight into the author's own life.

WHERE WE STAND

CLASS MATTERS

Routledge Drawing on both her roots in Kentucky and her adventures with Manhattan Coop boards, *Where We Stand* is a successful black woman's reflection--personal, straight forward, and rigorously honest--on how our dilemmas of class and race are intertwined, and how we can find ways to think beyond them.

BLACK LOOKS

RACE AND REPRESENTATION

Routledge In the critical essays collected in *Black Looks*, bell hooks interrogates old narratives and argues for alternative ways to look at blackness, black subjectivity, and whiteness. Her focus is on spectatorship—in particular, the way blackness and black people are experienced in literature, music, television, and especially film—and her aim is to create a radical intervention into the way we talk about race and representation. As she describes: "the essays in *Black Looks* are meant to challenge and unsettle, to disrupt and subvert." As students, scholars, activists, intellectuals, and any other readers who have engaged with the book since its original release in 1992 can attest, that's exactly what these pieces do.

UNCUT FUNK

A CONTEMPLATIVE DIALOGUE

Routledge In an awesome meeting of minds, cultural theorists Stuart Hall and bell hooks met for a series of wide-ranging conversations on what Hall sums up as "life, love, death, sex." From the trivial to the profound, across boundaries of age, sexualities and genders, hooks and Hall dissect topics and themes of continual contemporary relevance, including feminism, home and homecoming, class, black masculinity, family, politics, relationships, and teaching. In their fluid and honest dialogue they push and pull each other as well as the reader, and the result is a book that speaks to the power of conversation as a place of critical pedagogy.

BELONGING

A CULTURE OF PLACE

Routledge What does it mean to call a place home? Who is allowed to become a member of a community? When can we say that we truly belong? These are some of the questions of place and belonging that renowned cultural critic bell hooks examines in her new book, *Belonging: A Culture of Place*. Traversing past and present, *Belonging* charts a cyclical journey in which hooks moves from place to place, from country to city and back again, only to end where she began--her old Kentucky home. hooks has written provocatively about race, gender, and class; and in this book she turns her attention to focus on issues of land and land ownership. Reflecting on the fact that 90% of all black people lived in the agrarian South before mass migration to northern cities in the early 1900s, she writes about black farmers, about black folks who have been committed both in the past and in the present to local food production, to being organic, and to finding solace in nature. Naturally, it would be impossible to contemplate these issues without thinking about the politics of race and class. Reflecting on the racism that continues to find expression in the world of real estate, she writes about segregation in housing and economic racialized zoning. In these critical essays, hooks finds surprising connections that link of the environment and sustainability to the politics of race and class that reach far beyond Kentucky. With characteristic insight and honesty, *Belonging* offers a remarkable vision of a world where all people--wherever they may call home--can live fully and well, where everyone can belong.

HOMEMADE LOVE [BOARD BOOK]

Jump At The Sun Her Mama calls her Girlpie-a sweet treat, homemade with love. And when Girlpie makes a mistake, the love of her mother and father lets her pick up the pieces and make everything right again. Shane W. Evan's resplendent artwork teems with "homemade love," one of the tender nicknames award-winning author bell hooks gives her young heroine. The simple, dynamic text paired with bold, energetic illustrations make this beautiful board book perfect for little hands.

GRUMP GROAN GROWL

Little, Brown Books for Young Readers GRUMP GROAN GROWL Bad mood on the prowl Some days the grumpies just take over. So don't let that anger build up--embrace your feelings, overcome your aggression, and be your best self. In other words: Just let those feelings be Just let them pass Just go inside And let it slide bell hooks honest text radiates positivity while Chris Raschka's dynamic art adds humor to a book that is perfect for all ages.

TEACHING COMMUNITY

A PEDAGOGY OF HOPE

Routledge Ten years ago, bell hooks astonished readers with *Teaching to Transgress: Education as the Practice of Freedom*. Now comes *Teaching Community: A Pedagogy of Hope* - a powerful, visionary work that will enrich our teaching and our lives. Combining

critical thinking about education with autobiographical narratives, hooks invites readers to extend the discourse of race, gender, class and nationality beyond the classroom into everyday situations of learning. bell hooks writes candidly about her own experiences. Teaching, she explains, can happen anywhere, any time - not just in college classrooms but in churches, in bookstores, in homes where people get together to share ideas that affect their daily lives. In *Teaching Community* bell hooks seeks to theorize from the place of the positive, looking at what works. Writing about struggles to end racism and white supremacy, she makes the useful point that "No one is born a racist. Everyone makes a choice." *Teaching Community* tells us how we can choose to end racism and create a beloved community. hooks looks at many issues-among them, spirituality in the classroom, white people looking to end racism, and erotic relationships between professors and students. Spirit, struggle, service, love, the ideals of shared knowledge and shared learning - these values motivate progressive social change. Teachers of vision know that democratic education can never be confined to a classroom. Teaching - so often undervalued in our society -- can be a joyous and inclusive activity. bell hooks shows the way. "When teachers teach with love, combining care, commitment, knowledge, responsibility, respect, and trust, we are often able to enter the classroom and go straight to the heart of the matter, which is knowing what to do on any given day to create the best climate for learning."

WOUNDS OF PASSION

A WRITING LIFE

Macmillan A powerful memoir tells how one woman writer found her own voice while creating a personal love relationship based on feminist thinking and reflects on the impact of birth control and the women's movement on society. Reprint. 17,500 first printing.

AIN'T I A WOMAN

BLACK WOMEN AND FEMINISM

Routledge A classic work of feminist scholarship, *Ain't I a Woman* has become a must-read for all those interested in the nature of black womanhood. Examining the impact of sexism on black women during slavery, the devaluation of black womanhood, black male sexism, racism among feminists, and the black woman's involvement with feminism, hooks attempts to move us beyond racist and sexist assumptions. The result is nothing short of groundbreaking, giving this book a critical place on every feminist scholar's bookshelf.

REMEMBERED RAPTURE

THE WRITER AT WORK

Henry Holt and Company In *Remembered Rapture: The Writer at Work*, award-winning author and renowned academic "bell hooks reveals the heart of her writing life and the process through which she has come to be known as a 'visionary feminist'" (*Essence*). Born and raised in the rural South, bell hooks learned early the power of the written word and the importance of speaking her mind. Her passion for words is the heartbeat of this collection of essays. *Remembered Rapture* celebrates literacy, the joys of reading and writing, and the lasting power of the book. With grace and insight, these essays reveal bell hooks's wide-ranging intellectual scope, untangling the complex personae of women writers, especially those whose work goes against the grain. "For anyone who writes, or seeks to understand the writing process, or wants to know more about the erudite and passionate mind of bell hooks, this is the book to read."—*The Philadelphia Inquirer*

MORE THAN OUR PAIN: AFFECT AND EMOTION IN THE ERA OF BLACK LIVES MATTER

Suny African American Studies Covering rage and grief, as well as joy and fatigue, examines how Black Lives Matter activists, and the artists inspired by them, have mobilized for social justice.

AIN'T I A WOMAN

BLACK WOMEN AND FEMINISM

"*Ain't I a Woman : Black Women and Feminism* is among America's most influential works. Prolific, outspoken, and fearless."- *The Village Voice* "This book is a classic. It . . . should be read by anyone who takes feminism seriously."- *Sojourner* "[*Ain't I a Woman*] should be widely read, thoughtfully considered, discussed, and finally acclaimed for the real enlightenment it offers for social change."- *Library Journal* "One of the twenty most influential women's books of the last twenty years."- *Publishers Weekly* "I met a young sister who was a feminist, and she gave me a book called *Ain't I a Woman* by a talented, beautiful sister named bell hooks-and it changed my life. It changed my whole perspective of myself as a woman."-*Jada Pinkett-Smith* "At nineteen, bell hooks began writing the book that forever changed the course of feminist thought. *Ain't I a Woman* remains a classic analysis of the impact of sexism on black women during slavery, the historic devaluation of black womanhood, black male sexism, racism within the women's movement, and black women's involvement with feminism. bell hooks is the author of numerous critically acclaimed and influential books on the politics of race, gender, class, and culture. *The Atlantic Monthly* celebrates her as one of our nation's leading public intellectuals .

THIS WILL BE MY UNDOING

LIVING AT THE INTERSECTION OF BLACK, FEMALE, AND FEMINIST IN (WHITE) AMERICA

HarperCollins From one of the fiercest critics writing today, Morgan Jerkins' highly-anticipated collection of linked essays interweaves her incisive commentary on pop culture, feminism, black history, misogyny, and racism with her own experiences to confront the very

real challenges of being a black woman today—perfect for fans of Roxane Gay's *Bad Feminist*, Rebecca Solnit's *Men Explain Things to Me*, and Chimamanda Ngozie Adichie's *We Should All Be Feminists*. Morgan Jerkins is only in her twenties, but she has already established herself as an insightful, brutally honest writer who isn't afraid of tackling tough, controversial subjects. In *This Will Be My Undoing*, she takes on perhaps one of the most provocative contemporary topics: What does it mean to "be"—to live as, to exist as—a black woman today? This is a book about black women, but it's necessary reading for all Americans. Doubly disenfranchised by race and gender, often deprived of a place within the mostly white mainstream feminist movement, black women are objectified, silenced, and marginalized with devastating consequences, in ways both obvious and subtle, that are rarely acknowledged in our country's larger discussion about inequality. In *This Will Be My Undoing*, Jerkins becomes both narrator and subject to expose the social, cultural, and historical story of black female oppression that influences the black community as well as the white, male-dominated world at large. Whether she's writing about *Sailor Moon*; Rachel Dolezal; the stigma of therapy; her complex relationship with her own physical body; the pain of dating when men say they don't "see color"; being a black visitor in Russia; the specter of "the fast-tailed girl" and the paradox of black female sexuality; or disabled black women in the context of the "Black Girl Magic" movement, Jerkins is compelling and revelatory.

THIS IS MAJOR

NOTES ON DIANA ROSS, DARK GIRLS, AND BEING DOPE

HarperCollins A National Book Critics Circle Finalist in Autobiography * Finalist for a Lambda Literary Award * Named one of the most anticipated books of the year by USA Today, Bitch Magazine, Parade, Salon and Ms. Magazine From a fierce and humorous new voice comes a relevant, insightful, and riveting collection of personal essays on the richness and resilience of black girl culture—for readers of Samantha Irby, Roxane Gay, Morgan Jerkins, and Lindy West. Shayla Lawson is major. You don't know who she is. Yet. But that's okay. She is on a mission to move black girls like herself from best supporting actress to a starring role in the major narrative. Whether she's taking on workplace microaggressions or upending racist stereotypes about her home state of Kentucky, she looks for the side of the story that isn't always told, the places where the voices of black girls haven't been heard. The essays in *This is Major* ask questions like: Why are black women invisible to AI? What is "black girl magic"? Or: Am I one viral tweet away from becoming Twitter famous? And: How much magic does it take to land a Tinder date? With a unique mix of personal stories, pop culture observations, and insights into politics and history, Lawson sheds light on these questions, as well as the many ways black women and girls have influenced mainstream culture—from their style, to their language, and even their art—and how "major" they really are. Timely, enlightening, and wickedly sharp, *This Is Major* places black women at the center—no longer silenced, no longer the minority.

WE REAL COOL

BLACK MEN AND MASCULINITY

Routledge "When women get together and talk about men, the news is almost always bad news," writes bell hooks. "If the topic gets specific and the focus is on black men, the news is even worse." In this powerful new book, bell hooks arrests our attention from the first page. Her title--*We Real Cool*; her subject--the way in which both white society and weak black leaders are failing black men and youth. Her subject is taboo: "this is a culture that does not love black males." "they are not loved by white men, white women, black women, girls or boys. And especially, black men do not love themselves. How could they? How could they be expected to love, surrounded by so much envy, desire, and hate?"

BE BOY BUZZ

Jump At The Sun I be boy. All bliss boy. All fine beat. All beau boy. Beautiful. "This stunning volume celebrates all things boy." - Publishers Weekly, starred review Famed author bell hooks brings us a tight, exuberant story that captures the essence and energy of what it means to be a boy. Chris Raschka's soulful illustrations buzz with a force that is the perfect match for these powerful words.

REEL TO REAL

RACE, CLASS AND SEX AT THE MOVIES

Routledge Movies matter - that is the message of *Reel to Real*, bell hooks' classic collection of essays on film. They matter on a personal level, providing us with unforgettable moments, even life-changing experiences and they can confront us, too, with the most profound social issues of race, sex and class. Here bell hooks - one of America's most celebrated and thrilling cultural critics - talks back to films that have moved and provoked her, from Quentin Tarantino's *Pulp Fiction* to the work of Spike Lee. Including also her conversations with master filmmakers such as Charles Burnett and Julie Dash, *Reel to Real* is a must read for anyone who believes that movies are worth arguing about.

YOUNG WIVES' TALES

NEW ADVENTURES IN LOVE AND PARTNERSHIP

Seal Press (CA) Featuring such contributors as Juhu Thukral, Rachel Fudge, Kristy Harcourt, and Leslie Miller, a powerful collection of essays defines what it means to be a spouse in today's society, from a woman trying to cope with being identified as half of a couple to a woman who is attempting to balance a career and motherhood. Original. First serial to salon.com.

WANDERING IN STRANGE LANDS

A DAUGHTER OF THE GREAT MIGRATION RECLAIMS HER ROOTS

HarperCollins *One of TIME's 100 Must Read Books of 2020 and one of Good Housekeeping's Best Books of the Year* "One of the smartest young writers of her generation."—*Book Riot* Featuring a new afterword from the author, Morgan Jerkins' powerful story of her journey to understand her northern and southern roots, the Great Migration, and the displacement of black people across America. Between 1916 and 1970, six million black Americans left their rural homes in the South for jobs in cities in the North, West, and Midwest in a movement known as The Great Migration. But while this event transformed the complexion of America and provided black people with new economic opportunities, it also disconnected them from their roots, their land, and their sense of identity, argues Morgan Jerkins. In this fascinating and deeply personal exploration, she recreates her ancestors' journeys across America, following the migratory routes they took from Georgia and South Carolina to Louisiana, Oklahoma, and California. Following in their footsteps, Jerkins seeks to understand not only her own past, but the lineage of an entire group of people who have been displaced, disenfranchised, and disrespected throughout our history. Through interviews, photos, and hundreds of pages of transcription, Jerkins braids the loose threads of her family's oral histories, which she was able to trace back 300 years, with the insights and recollections of black people she met along the way—the tissue of black myths, customs, and blood that connect the bones of American history. Incisive and illuminating, *Wandering in Strange Lands* is a timely and enthralling look at America's past and present, one family's legacy, and a young black woman's life, filtered through her sharp and curious eyes.

TEACHING CRITICAL THINKING

PRACTICAL WISDOM

Routledge *In Teaching Critical Thinking*, renowned cultural critic and progressive educator bell hooks addresses some of the most compelling issues facing teachers in and out of the classroom today. In a series of short, accessible, and enlightening essays, hooks explores the confounding and sometimes controversial topics that teachers and students have urged her to address since the publication of the previous best-selling volumes in her Teaching series, *Teaching to Transgress* and *Teaching Community*. The issues are varied and broad, from whether meaningful teaching can take place in a large classroom setting to confronting issues of self-esteem. One professor, for example, asked how black female professors can maintain positive authority in a classroom without being seen through the lens of negative racist, sexist stereotypes. One teacher asked how to handle tears in the classroom, while another wanted to know how to use humor as a tool for learning. Addressing questions of race, gender, and class in this work, hooks discusses the complex balance that allows us to teach, value, and learn from works written by racist and sexist authors. Highlighting the importance of reading, she insists on the primacy of free speech, a democratic education of literacy. Throughout these essays, she celebrates the transformative power of critical thinking. This is provocative, powerful, and joyful intellectual work. It is a must read for anyone who is at all interested in education today.

A WOMAN'S MOURNING SONG

Writers & Readers Poetry celebrating the way in which African Americans celebrate the passing of the spirit.

A SLANT OF SUN

ONE CHILD'S COURAGE

Harper Collins The author shares her experiences of loving a child with special needs in an account that describes life with an autistic child, her and her husband's quest to help their son, and his struggle to become a part of the world

TALKING BACK

THINKING FEMINIST, THINKING BLACK

Routledge In childhood, bell hooks was taught that "talking back" meant speaking as an equal to an authority figure and daring to disagree and/or have an opinion. In this collection of personal and theoretical essays, hooks reflects on her signature issues of racism and feminism, politics and pedagogy. Among her discoveries is that moving from silence into speech is for the oppressed, the colonized, the exploited, and those who stand and struggle side by side, a gesture of defiance that heals, making new life and new growth possible.
