WARRIOR PATIENT

HOW TO BEAT DEADLY DISEASES WITH LAUGHTER, GOOD DOCTORS, LOVE, AND GUTS

Warrior Patient by Temple Williams is a true story about one man's struggle to survive a series of medical problems over the space of three years. It's funny, not sad, sometimes deadpan and often cheerful. The aim of this book is clear: educate the unsuspecting public on the follies of the the most advance medical system civilization has ever know. Today's medical miracles kill 100,000 people a year, and they injure nine million. The book is written in the second person. The overall effect is that you feel as if the events, although unlucky, could happen to anyone. This is an important book. It should be on the shelf of anyone who wants to experience their full measure of life.

WARRIOR PATIENT HEARTBEATS

HOW TO BEAT DEADLY DISEASES WITH LAUGHTER, GOOD DOCTORS, LOVE, AND GUTS.

Warrior Patient Heartbeats is Edition II of an upbeat story of recovery from problems created by today's medical system, supposedly designed to prevent them. It is also a romantic love story between a husband and a wife who saves him, physically as well as mentally. The book is filled with humor, because the author knows, and shows, that laughter is the best medicine. This book contains updated information and is 392 pages long (in book format), 40 pages more than the original Warrior Patient. The author is a Marine, an ex-NYC cop, and a journalist nominated twice for a Pulitzer when he worked for The New York World-Telegram & Sun, over 50 years ago. Today, he is an award-winning author of three books. The original Warrior Patient had well over 100 positive reviews. The best one, from satirical writer Robert Eggleton, says: "This book may have saved my life." A retired physician said the book: "Should be required reading for doctors." "This book is ... a comfort, it is a love-story, it is important."-- WordsAPlenty "Humor is the best doctor you will ever know." Williams ... follows his own advice. - KirkusReviews. "A great 'how-to' in overcoming diseases with laughter, good doctors, love, and guts." - Dennis Waller. "It's a witty story full of unexpected humor." - Readers' Favorite "Save your life and read this book" - Patrick Middleton, author 100,000 patients die, and nine million suffer injury every year. If medical mistakes were a disease, it would be the sixth leading cause of deaths in America. As you read Warrior Patient Heartbeats, you become one of the nine million who suffers injury every year. You take an extraordinary, often amusing journey into the quicksand of modern medicine. In the midst of a long list of life-threatening illnesses, you learn to laugh as you survive. "A strong 5-star rating ... read this book now, not tomorrow or the next day, but now." -- WordsAPlenty.

WRINKLED HEARTBEATS

A NOVEL

Wrinkled Heartbeats has been awarded the coveted Awesome Indies Approval Badge. "This signals that a book has been crafted to the editorial standards of major publishers. It shows readers that they can trust that the book is a professional product worthy of their attention." A war hero stumbles into a web of money-laundering, lies, and deadly secrets, including the "Gator Pole," a painful way to make people disappear in Florida's famous River of Grass, the Everglades. A very generous offer to buy the hero's luxury home includes an expiration date on his life. The only person who can save him is the person hired to kill him. For the warrior, one of the bloodiest battles in the history of the

Marine Corps becomes a life-threatening allegory in the tropical paradise of the Palm Beaches.

INDIA, DEFEAT CORONA

Pustaka Digital Media My e-book under the title 'India, Defeat Corona', is a fictional novel. It is aimed at kindling hope and confidence among my readers. We have to draw inspiration from the popular adage that 'every crisis is an opportunity.' We all have to learn to live with the virus. Simple methods like 'social distancing, frequent washing of hands using soap and wearing of masks' can help us in keeping the virus at bay, to a large extent. Our scientists all over the world are burning their midnight oil in finding a suitable vaccine to contain this pandemic, which seems a possibility by the end of this year. We can't halt the progress of our economy, just for the fear of one tiny virus. It's a question of 'lives Vs livelihood'. Stoppage of economic activities can be more disastrous than the pandemic itself! Thanks to our 'corona warriors,' who are working hard to contain the pandemic. Let's salute our farmers, workers, technocrats, bankmen, businessmen and others, who are daring to go ahead, ignoring the threats of the disease. In fact, what can help us in defeating Covid-19, is our 'Positive Mental Attitude.' I am sure that we will win this war of 'pandemic Vs people.'

THE WARRIOR OF GOD

George Milonas The Warrior of God is an Apocalyptic Novel set in the near future involving the final cataclysmic battle between the forces of Good and Evil with the people of Earth as the ultimate final prize.

HOLY WARRIOR TROJAN HORSES

eBookIt.com Ben Marzan--Searching for meaning in his life, Marzan studies with The Imam and converts to a radical sect of Islam. He's the perfect candidate for a terrorist...American-born, assimilated, and eager to embrace Jihad. Anatoly Shenko--A disaffected Russian scientist working in Siberia, Shenko is one of the world's top experts on biological warfare. But he, his wife and son are in ill health and he's in desperate need of money. Abdul Saidadov--A former Chechen rebel, Saidadov aligns himself with al-Qaeda in hopes of spreading the message of Allah throughout the world. Marzan, Shenko, and Saidadov, along with four other conspirators and the hierarchy of Al-Qaeda, are part of a terrorist plot to smuggle weapons of mass destruction into the United States. To keep America off balance, they are prepared to sow chaos in Chicago. Anthrax and Smallpox are successfully disseminated throughout the city, and as

Chicagoans die in ever-increasing numbers, the city soon learns that a nuclear bomb is next. Will a young Chicago Emergency Department physician, a team of FBI agents, and the Chicago Police be able to abort the coming attack?

THE LIFE YOU LONGED FOR

A NOVEL

Touchstone When every mother's worst nightmare becomes Grace's reality, she must examine her entire life -- from the wrong choices to the right mistakes. Grace's son Jack is a miracle. At three years old, he's fighting a mysterious, deadly disease that his doctors predicted would kill him as a baby. Even though it was determined to be mitochondrial disease, the little-known illness remains a mystery to medicine. Grace has sat by his bedside every minute he has been in the hospital, questioned every diagnosis, every medicine -- even poring over medical journals and books at home late into the night. To the world, Grace's fierce dedication is the sole reason for her son's survival. But someone suspects that perhaps Jack's disease is not what it seems. When an allegation of Munchausen Syndrome by Proxy is leveled against Grace, she begins to live in constant suspicion of everyone -- from the doctors and nurses surrounding her son in the hospital to her own husband. Who could possibly think that she has been purposely making her son ill to gain attention for herself? Although her husband believes their life is exactly as it seems to the outside world, Grace knows differently. She is harboring a secret -- the adulterous affair she's having with her first love. But perhaps her biggest betrayal of all is her shameful uncertainty about whether she's chosen the right path, the right husband, the right life. In this compelling and heartbreaking novel, critically acclaimed author Maribeth Fischer addresses how the choices we made yesterday can affect everything that lies before us.

RUSTIC WARRIORS

WARFARE AND THE PROVINCIAL SOLDIER ON THE NEW ENGLAND FRONTIER, 1689-1748

NYU Press In April of 2001, the headline in the Los Angeles Times read, "Doubting the Story of the Exodus." It covered a sermon that had been delivered by the rabbi of a prominent local congregation over the holiday of Passover. In it, he said, "The truth is that virtually every modern archeologist who has investigated the story of the exodus, with very few exceptions, agrees that the way the Bible describes the exodus is not the way it happened, if it happened at all." This seeming challenge to the biblical story captivated the local public. Yet as the rabbi himself acknowledged, his

sermon contained nothing new. The theories that he described had been common knowledge among biblical scholars for over thirty years, though few people outside of the profession know their relevance. New understandings concerning the Bible have not filtered down beyond specialists in university settings. There is a need to communicate this research to a wider public of students and educated readers outside of the academy. This volume seeks to meet this need, with accessible and engaging chapters describing how archeology, theology, ancient studies, literary studies, feminist studies, and other disciplines now understand the Bible.

A STAND YET TAKEN

Publishamerica Incorporated A deadly disease...A rogue band of terrorists...The endless rainforest...And one man with no desire to fight...After escaping the hassles of western society, Logan Pierce had grown comfortable with his unencumbered life in a forgotten village deep in the Borneo rainforest. But even in this beautiful and isolated corner of the world, trouble and crisis had a way of finding him. Now - caught in a clash between peaceful villagers, a deadly ancient disease, and a fanatical mob of well-armed terrorists - Logan must choose between fighting a battle he wants nothing to do with or once again fading into anonymity. As the looming conflict appears increasingly hopeless, will there be a stand yet taken?

THE WARRIOR

RULES FOR CORPORATE WARRIORS

HOW TO FIGHT AND SURVIVE ATTACK GROUP SHAKEDOWNS

Nick Nichols pulls no punches in this rousing defense of the free enterprise system. He's fed up with the corporate cowardice so prevalent among today's executives who cave in to just about every leftist cause that comes along - and he says so! His advise? Fight back! Nick Nichols says, I wrote this book in the firm belief that something can be done. We do not need to stand by while radical activists cripple the economic heart of our society. Rules for Corporate Warriors is chock full of courageous stands, savvy strategies, and in-your-face zingers - all backed up by years of in-the-trenches experience as a crisis manager for major corporations. We should proudly defend corporate America, says Nick Nichols, not meekly raise the white flag when its radical opponents make their demands. Who are tomorrow's corporate warriors? Nick says, If you own a business, own stock in a business or work in a business, I wrote this book

for you!

ADDICTION: RECOVER LIKE A WARRIOR

SHADOW WARRIORS

THE COVERT WAR IN KOREA

John Wiley & Sons Incorporated Recounts secret missions, guerrilla warfare, and propaganda campaigns during the Korean War, and looks at the Joint Services Operation, which directed all U.S. intelligence operations

ANIMAL ECO-WARRIORS

HUMANS AND ANIMALS WORKING TOGETHER TO PROTECT OUR PLANET

CSIRO PUBLISHING Come on an action-packed adventure with an amazing mob of animal eco-warriors as they use their special talents to help solve our planet's environmental problems! From the nosy noses of biosecurity beagles at airports to rats learning to sniff out landmines in war-torn landscapes, animals are using their unique abilities to help make the world a better and safer place. With fantastic colour photos of animal eco-warriors at work, this book is full of fun facts on how animals are helping humanity work towards a more sustainable future. There are also plenty of tips on how you can make a difference to the planet. Join the animal eco-warrior team today! This book is ideal for teachers and librarians looking for locally relevant, teachable materials addressing environment and sustainability issues, as well as for children and their families with an interest in animals and science. Perfect for readers aged 9-12.

SHAKESPEARE'S RETURNING WARRIORS - AND OURS

Routledge Shakespeare's Returning Warriors - and Ours takes its primary inspiration from the contemporary U.S. Post-Traumatic Stress Disorder (PTSD) crisis in soldiers transitioning from battlefields back into society. It begins by examining how ancient societies sought to ease the return of soldiers in order to minimize PTSD, though the term did not become widely used until the early 1980s. It then considers a dozen or so Shakespearean plays that depict such

transitions at the start, focusing on the tragic protagonists and antagonists in paradigmatic "returning warrior" plays, including Titus Andronicus, Julius Caesar, Othello, Macbeth, Antony and Cleopatra, and Coriolanus, and exploring the psychological and emotional ill-fits that prevent warriors from returning to the status quo ante after battlefield triumphs, or even surviving the psychic demons and moral disequilibrium they unleash on their domestic settings and themselves. It also analyzes the history plays, several comedies, and Hamlet as plays that partly conform to and also significantly deviate from the basic paradigm. The final chapter discusses recent attempts to effect successful transitions, often using Shakespeare's plays as therapy, and depictions of attempts to wage warfare without inducing PTSD. Through the investigation of the tragedies and model returning warrior experiences, Shakespeare's Returning Warriors - and Ours highlights a central and understudied feature of Shakespeare's plays and what they can teach us about PTSD today when it is a widespread phenomenon in American society.

SEX AND THE GODDESS

AN INTIMATE EXPLORATION OF WOMAN'S EROTIC SPIRIT AND SACRED SEXUAL POWER IN MYTH, LEGEND, LIFE, AND HISTORY

Xlibris Corporation It has been over twenty years since the full manuscript of my book was edited for publication in 1998. I had begun writing it in the previous decade, the 1980's... a period of flourishing women's liberation movements against the patriarchal status quo. Books about women's sexuality and spirituality were flooding the bookstores, and many writers were producing profound studies of the untold heroism of women throughout history. I was a pioneer in the burgeoning field of Sex therapy and education at the University of Minnesota Medical School's "Program in Human Sexuality." In addition, I conducted women's self-enrichment groups and workshops in my private practice... "Woman's Discovery Institute" ... where I also gave professional Astrology readings and classes. This rich mix of psychology, philosophy, spirituality, and a knowledge of the cyclic patterns of life shown by astrology created within me an avid interest in researching women's unsung heroism throughout history. It brewed in me a heady fascination to stitch it all together in a circle montage that connects all women and all aspects of our multi-layered lives. I based my theory on the lunar cycle, which is eternally linked to women's menstrual, emotional, and psychic cycles. With a friend, I created a series of workshops for women to celebrate their many-faceted selves and gain confidence to pursue their goals. Yet for various reasons my book manuscript remained in my own bookshelf, never getting published. Until now... the times again call for women to claim their autonomy and gain equality in an overly male-dominated and

viciously callous world. I am blessed to find in Xlibris a publisher ready to take on the project with me. I am thrilled to finally see my “Life’s Masterwork” in print. You will find many divergent ideas in these two volumes. No single woman encompasses all that are described, but as you read and recognize these characters in yourselves and your friends, I hope it will help you gain a full appreciation of your own awesome erotic spirit and sacred sexual powers.

WARRIORS FROM THE ASHES

eKensington Rebels wage war again a Nazi madman, a Latin American warlord, and a corrupt president in a post-apocalyptic desert—from a USA Today-bestselling author. Under the command of Ben Raines, the Southern United States of America have defeated all comers—and carved out a stronghold in the Southwest desert. But now, two powerful forces are crashing in against the rebels from the north and the south. A cataclysmic war on two fronts has begun... The glorified thugs of the New World Order have seized Mexico City, and Bruno Bottger's mercenary army has joined forces with the Nicaraguan and Honduran troops of former Sandinista Perro Loco. Meanwhile, U.S. President Claire Osterman is attacking by land and air from the North. Now, Ben Raines has no choice but to strike back with everything he's got. In a firestorm of bullets, bombs, and a new generation of horrifying tactical weapons, one small army must stand against two enemies...and the odds are just about even. Thirty-first in the long-running series!

NO RETREAT, NO SURRENDER

THE INSPIRING STORY OF A WORLD-CHAMPION SPORTSMAN AND CANCER WARRIOR

Penguin Random House South Africa Few athletes hold a record comparable to that of Oscar Chalupsky. He made history at the age of fifteen as the first person to win both the Junior and Senior Ironman titles on the same day at the South African National Lifesaving Championships, he was the country’s spokesman at the 1992 Barcelona Olympics, and he is a multiple-times global surfski champion, having won the internationally famous Molokai to Oahu World Surfski Marathon championships in Hawaii a record twelve times - his most recent victory being at the age of forty-nine. Then, in 2019, he was diagnosed with multiple myeloma, an incurable bone marrow cancer and told he had six months to live. But as with everything else Oscar does, he is determined to emerge victorious. He continues to paddle kayaks, play golf, and with a combination of medical treatment, exercise, iron determination and unconquerable optimism, he has defied every doctor’s prediction to date. How does he do it? In this book, Oscar relives some of his most exhilarating and nail-biting races, and shares the lessons he has learnt from winning on the international surf

lifesaving, kayak and surfski circuits as well as running several successful businesses. The final chapters recount his courageous battle against cancer, the vital support of his family and friends, and his refusal to let the deadly disease dictate his life. **No Retreat, No Surrender** is an uplifting account of grit, perseverance, talent and attitude, vividly capturing the determined mindset of an inspirational sporting legend.

SOLDIERS AND WARRIORS

AN ILLUSTRATED HISTORY

Courier Corporation This crackling survey of military might from ancient Egypt to the modern era spotlights frontline foot soldiers and their weapons, uniforms, tactics, and training. 250 black-and-white illustrations.

HOW CHRISTIANITY MADE THE MODERN WORLD, HOW THE BIBLE INSPIRED LIBERTY

SHAPED WESTERN CIVILISATION, INVIGORATED HUMAN RIGHTS, TRANSFORMED DEMOCRACY AND WHY FREE PEOPLE OWE SO MUCH TO THEIR CHRISTIAN HERITAGE

ByFaith Media What has Christianity ever done for the world? The answer is both profound and inexhaustible. Discover how Christianity became the most important factor in the creation of the modern world by shaping our values, beliefs and civilisation. Find how leading scientists, explorers, adventurers and freedom fighters were inspired by their Christian faith and learn how they changed life on planet earth! Take a journey with the author to over thirty-five nations as he establishes from personal observations, how slaves were freed, human rights were fought for and how liberty spread globally as the message of the Christian gospel sounded-forth. Learn how empires and superpowers were transformed by Christianity, how missionaries kept them accountable abroad and how non-conformist believers transformed them from within. 2020 edition.

COUNTERING THE PROBLEM OF FALSIFIED AND SUBSTANDARD DRUGS

National Academies Press The adulteration and fraudulent manufacture of medicines is an old problem, vastly aggravated by modern manufacturing and trade. In the last decade, impotent antimicrobial drugs have compromised the treatment of many deadly diseases in poor countries. More recently, negligent production at a Massachusetts compounding pharmacy sickened hundreds of Americans. While the national drugs regulatory authority (hereafter, the

regulatory authority) is responsible for the safety of a country's drug supply, no single country can entirely guarantee this today. The once common use of the term counterfeit to describe any drug that is not what it claims to be is at the heart of the argument. In a narrow, legal sense a counterfeit drug is one that infringes on a registered trademark. The lay meaning is much broader, including any drug made with intentional deceit. Some generic drug companies and civil society groups object to calling bad medicines counterfeit, seeing it as the deliberate conflation of public health and intellectual property concerns. Countering the Problem of Falsified and Substandard Drugs accepts the narrow meaning of counterfeit, and, because the nuances of trademark infringement must be dealt with by courts, case by case, the report does not discuss the problem of counterfeit medicines.

YOUR MIND, YOUR SOUL AND THE BLACK HOLE

A LAYMAN'S GUIDE TO CURE DEPRESSION

Dog Ear Publishing Depression is killing thousands of people each year. Those it doesn't kill, it sucks the life from until they have no energy and no idea of who they are or used to be. Medicine only numbs the mind and helps the person forget the agony of performing simple daily tasks. Relationships are paralyzed until they are all but a corpse. Stop living as a prisoner in your own body! Send the warrior to slay the dragon. The warrior is you and the dragon is depression. The only thing you need is a sword-Your Mind, Your Soul, and the Black Hole. This book simplifies the components of depression and equips you to overcome this dreadful disease once and for all. Tell the pharmaceutical companies to stick it! The premise of the book is Eradicate it, don't medicate it. Learn depression's root cause and how to escape its deadly grip. Kenny Volbrecht ministered for 12 years as a pastor. His forte is teaching audiences the basic elements of relationships, marriage, and depression as they apply to daily living. He graduated with a Masters in Bible studies designed to focus on the human journey. Although discipleship seems antiquated in today's society, Kenny employs this style of teaching so individuals can achieve their greatest potential in what matters most-relationships. Kenny and Trish, his bride of over 25 years, have traveled the valleys and mountaintops raising 7 children. They are typical people overcoming everyday hurdles. Their passion is enjoying family and friends in the most fulfilling human journey we call "life." www.eventhorizonllc.org eventhorizonllc@hotmail.com

GENDER IN AMAZONIA AND MELANESIA

AN EXPLORATION OF THE COMPARATIVE METHOD

Univ of California Press Amazonia and Melanesia are half a world in distance, yet their cultures bear similarities in the areas of sex and gender. This work looks at ways in which sex and gender are elaborated, obsessed over, and internalized.

THE HUNT THROUGH TIDAL VALLEY

Severed Press Nuclear war has devastated the planet, reducing the landscapes to barren wastelands. The worst of them all is Tidal Valley. It is a place where giant mutations lurk, poisonous plants grow, and evil gangs roam. Between these evils is the rare Red Flower, capable of curing all disease. After contracting the deadly Blood Virus, the lone warrior Pearce has no choice but to trek through Tidal Valley. In his travels, he encounters a small family held at gunpoint by a scout group belonging to the worst of gangs—the Dirt Diamonds. When the guns turn on him, Pearce is forced to kill the scouts, but not before the rest of the gang is alerted. Now Pearce is faced with a new problem: being pursued by a hundred deadly gang members through the worst landscape imaginable...with three strangers seeking his protection. Battling both man and beast, Pearce must rediscover his humanity while surviving the Hunt through Tidal Valley.

LA MADRE DEL MAÍZ

A BOTANICAL AND HISTORICAL PERSPECTIVE ON OUR LADY OF GUADALUPE, 1531-1810

Xlibris Corporation The story of Guadalupe conforms to Mary's maternal duty. The maternal duty of Mary towards men in no way obscures or diminishes this unique mediation of Christ; rather shows its power. For all the influences of Blessed Virgin Mary on men, originate, not from necessity, but from divine pleasure. They flow from the abundance of the merits of Christ, rest on his mediation, depend entirely on it, and draw its power from it. In no way do they impede the immediate union of the faithful with Christ. Rather they foster it. (Source: "Dogmatic Constitution of the Church" in The Role of the Blessed Virgin Mary, Mother of God, in the Mystery of Christ in his Church (Documents of the Vatican II, 1963 1965))

THE ORIGINS OF THE MODERN WORLD

FATE AND FORTUNE IN THE RISE OF THE WEST

Rowman & Littlefield This clearly written and engrossing book presents a global narrative of the origins of the modern world from 1400 to the present. Unlike most studies, which assume that the "rise of the West" is the story of the coming of the modern world, this history, drawing upon new scholarship on Asia, Africa, and the New World, constructs a story in which those parts of the world play major roles. Robert B. Marks defines the modern world as one marked by industry, the nation state, interstate warfare, a large and growing gap between the wealthiest and poorest parts of the world, and an escape from "the biological old regime." He explains its origins by emphasizing contingencies (such as the conquest of the New World); the broad comparability of the most advanced regions in China, India, and Europe; the reasons why England was able to escape from common ecological constraints facing all of those regions by the 18th century; and a conjuncture of human and natural forces that solidified a gap between the industrialized and non-industrialized parts of the world. Now in a new edition that brings the saga of the modern world to the present, the book considers how and why the United States emerged as a world power in the twentieth century and became the sole superpower by the twenty-first century. Once again arguing that the rise of the United States to global hegemon was contingent, not inevitable, Marks also points to the resurgence of Asia and the vastly changed relationship of humans to the environment that may, in the long run, overshadow any political and economic milestones of the past hundred years. AMERICAN COLONIES

THE SETTLING OF NORTH AMERICA (THE PENGUIN HISTORY OF THE UNITED STATES, VOLUME 1)

Penguin A multicultural, multinational history of colonial America from the Pulitzer Prize-winning author of *The Internal Enemy* and *American Revolutions* In the first volume in the *Penguin History of the United States*, edited by Eric Foner, Alan Taylor challenges the traditional story of colonial history by examining the many cultures that helped make America, from the native inhabitants from millennia past, through the decades of Western colonization and conquest, and across the entire continent, all the way to the Pacific coast. Transcending the usual Anglocentric version of our colonial past, he recovers the importance of Native American tribes, African slaves, and the rival empires of France,

Spain, the Netherlands, and even Russia in the colonization of North America. Moving beyond the Atlantic seaboard to examine the entire continent, *American Colonies* reveals a pivotal period in the global interaction of peoples, cultures, plants, animals, and microbes. In a vivid narrative, Taylor draws upon cutting-edge scholarship to create a timely picture of the colonial world characterized by an interplay of freedom and slavery, opportunity and loss. "Formidable . . . provokes us to contemplate the ways in which residents of North America have dealt with diversity." -The New York Times Book Review

LETHAL WARRIORS

WHEN THE NEW BAND OF BROTHERS CAME HOME

St. Martin's Press When the 506th Infantry Regiment—known since World War II as the Band of Brothers—returned to Colorado Springs after their first tour in Iraq, a series of brutal crimes swept through the city. The Band of Brothers had been deployed to the most violent places in Iraq, and some of the soldiers were suffering from what they had seen and done in combat. Without much time to recover, they were sent back to the front lines. After their second tour of duty, the battalion was renamed the Lethal Warriors, and, true to their name, the soldiers once again brought the violence home. *Lethal Warriors* brings to life the chilling true stories of these veterans—from their enlistment and multiple tours of duty to their struggles with PTSD and their failure to reintegrate in society. With piercing insight and employing his relentless investigative skills, journalist David Philipps shines a light not only to this particular unit, but also to the painful reality of PTSD as it rages throughout the country. By exploring the evolving science and the stigma of war trauma throughout history—from "shell shock" to "battle fatigue" to "combat stress injuries"—Philipps shows that this problem has always existed and that, as the nature of warfare changes, it is only getting worse. In highlighting the inspiring stories of the resilient men and women in the armed forces who have the courage to confront the issue and offer a potential lifeline to the soldiers, *Lethal Warriors* challenges us to deal openly, honestly, and intelligently with the true costs of war.

SMALLPOX IN THE NEW WORLD

Marshall Cavendish Describes the history of smallpox in the Americas, covering the arrival of the Spanish as carriers, its spread throughout the New World, the development of the smallpox vaccine, the elimination of the disease, and its potential use as a terrorist weapon.

MAKING A NEW WORLD

FOUNDING CAPITALISM IN THE BAJÍO AND SPANISH NORTH AMERICA

Duke University Press This history of the political economy, social relations, and cultural debates that animated Spanish North America from 1500 until 1800 illuminates its centuries of capitalist dynamism and subsequent collapse into revolution.

BETWEEN TWO WORLDS

THE LEGEND OF QUANAH PARKER

Strategic Book Publishing Before boundaries were drawn and states were born, there lived a man named Quanah Parker. He was half white and half Comanche but, in his heart, he was one hundred percent Comanche. In his youth, he fought in a battle against the white buffalo hunters known as the "Battle of the Second Adobe Walls." After he witnessed the death of a close Comanche friend, who was killed by a Tonkawa scout of the Texas Rangers, Quanah Parker declared war on Texans. Like his father before him, Quanah Parker was a warrior. Quanah Parker and his band of Kwahadi (Quohada) were the last Comanche tribe to come into Fort Sill Reservation. Wanting to reach the Indians on the reservation, and finding it hard for him and his white officers to do so, General Mackenzie used Quanah Parker as a bridge to link the deep valleys between the Comanche people and white cultures.

PT BOAT ODYSSEY

IN THE PACIFIC WAR WITH MOTOR TORPEDO BOAT SQUADRON 16, 1943-1945

McFarland During the Pacific War between the United States and Imperial Japanese navies, the author's father, Francis Gelzheiser, deployed with Motor Torpedo Boat Squadron 16A, from New Orleans to Panama to Seattle and to Attu Island in the Aleutians. After their return voyage, the PT boats journeyed to New Guinea, then battled Japanese kamikazes for the Philippine Island of Mindoro. Like many World War II veterans, Gelzheiser only shared his recollections of combat later in life. The author chronicles his father's experience, details the roles PT boats played in the war and examines why, despite America's overwhelming wartime manufacturing capacity, the Japanese believed they could still win the war.

HIPPOCRATES, ON THE ART OF MEDICINE

BRILL Employing the logical tools of contemporary analytic philosophy, this book places the pseudo-Hippocratic treatise *On the Art of Medicine* in its proper philosophical, rhetorical, and medical contexts through a new translation and commentary on the Greek text.
