Was Jesus a Muslim?

Questioning Categories in the Study of Religion

An intriguing question - Do Muslims understand Jesus in some ways more historically appropriate than Christians do? - leads Robert F. Shedinger into a series of provocative challenges to the disciplines of religious studies and comparative religions. Questioning the convenient distinction between "politics" and "religion" and the isolation of "religion" from wider social and cultural questions, Shedinger offers a proposal for a more accurate and respectful understanding of faith that he argues will improve possibilities for mutual understanding among Christians, Muslims - and others.

The Islamic Jesus

How the King of the Jews Became a Prophet of the Muslims

St. Martin's Press "A welcome expansion of the fragile territory known as common ground." —The New York Times
When Reza Aslan's bestseller Zealot came out in 2013, there was criticism that he hadn't addressed his Muslim faith while writing the origin story of Christianity. In fact, Ross Douthat of The New York Times wrote that "if Aslan had actually written in defense of the Islamic view of Jesus, that would have been something provocative and new."
Mustafa Akyol's The Islamic Jesus is that book. The Islamic Jesus reveals startling new truths about Islam in the context of the first Muslims and the early origins of Christianity. Muslims and the first Christians—the Jewish followers of Jesus—saw Jesus as not divine but rather as a prophet and human Messiah and that salvation comes from faith and good works, not merely as faith, as Christians would later emphasize. What Akyol seeks to reveal are how these core beliefs of Jewish Christianity, which got lost in history as a heresy, emerged in a new religion born in 7th Arabia: Islam. Akyol exposes this extraordinary historical connection between Judaism, Jewish Christianity and Islam—a major mystery unexplored by academia. From Jesus' Jewish followers to the Nazarenes and Ebionites to the Qu'ran's stories of Mary and Jesus, The Islamic Jesus will reveal links between religions that seem so contrary today. It will also call on Muslims to discover their own Jesus, at a time when they are troubled by their own Pharisees and Zealots.

The Muslim Jesus

Sayings and Stories in Islamic Literature

Harvard University Press This work presents in English translation the largest collection ever assembled of the sayings and stories of Jesus in Arabic Islamic literature. In doing so, it traces a tradition of love and reverence for Jesus that has characterized Islamic thought for more than a thousand years. An invaluable resource for the history of religions, the collection documents how one culture, that of Islam, assimilated the towering religious figure of another, that of Christianity. As such, it is a work of great significance for the understanding of both, and of profound implications for

modern-day intersectorian relations and ecumenical dialogue. Tarif Khalidi's introduction and commentaries place the sayings and stories in their historical context, showing how and why this "gospel" arose and the function it served within Muslim devotion. The Jesus that emerges here is a compelling figure of deep and life-giving spirituality. The sayings and stories, some 300 in number and arranged in chronological order, show us how the image of this Jesus evolved throughout a millennium of Islamic history.

Dreams and Visions

Is Jesus Awakening the Muslim World?

Thomas Nelson Inc Jesus appears to be revealing Himself to Muslims through powerful dreams and visions throughout the Islamic world today, and the results are dramatic. Eleven years ago, Pastor Tom Doyle felt God calling him to leave the pastorate and become a full-time missionary in the Middle East and Central Asia. Through his extensive work in the region, which includes over 80 trips to places like Iran, Afghanistan, Iraq, Egypt, Syria, Israel, Lebanon, and Turkey, Tom has met and recorded the stories of former Muslims who were first introduced to Jesus through either a dream or a vision that powerfully opened their hearts to become followers of Christ. Though they live in the most dangerous places in the world for people who leave Islam and embrace Christ, their passion for the Savior is contagious and inspirational. These are never-before-told stories from the front lines of the world of Islam. Through these unexplained supernatural occurrences, more Muslims have become believers in the last ten years than in the last 15 centuries of Islam. Why would God use dreams to reach the Muslim world? Can dreams and visions be trusted? What happens after these people experience a dream or vision? In *Dreams and Visions*, Tom Doyle takes the reader deep into the heart of the Middle East to meet believers who have been directly touched by the very hand of God.

Islam's Jesus

While it is not well known among Christians, Jesus has an important role in the Quranic literature, and this book examines this provocative topic, focusing on Jesus's role in the eschatology of Islam, especially on the afterlife.

Christians, Muslims and Jesus

Yale University Press Prophet or messiah, the figure of Jesus serves as both the bridge and the barrier between Christianity and Islam. In this accessible and revelatory book, Muslim scholar and popular commentator Mona Siddiqui explores the theological links between the two religions, showing how Islamic thought has approached and responded to Jesus and Christological themes from its earliest days to modern times. The author finds that the philosophical overlap between the two religions is greater than previously imagined, and this being so, her book brings with it the hope of improving interfaith communication and understanding./div

DIV Through a careful analysis of selected works by major Christian and Muslim theologians during the formative, medieval, and modern periods of both religions, Siddiqui focuses on themes including revelation, prophesy, salvation, redemption, grace, sin, eschatology, law, and love. How did some become the defining characteristics of one faith and not the other? Which—and why—do some translate between the two religions? With a nuanced and carefully considered analysis of critical doctrines of Christianity and Islam, the author provides a refreshing counterpoint to contemporary polemical arguments and makes an important contribution to reasoned interfaith conversation./div

Finding Jesus among Muslims

How Loving Islam Makes Me a Better Catholic

Liturgical Press Why should Christians engage in interfaith dialogue with Muslims? Does Islam have anything to offer Christians? What is Islamophobia, and what should we do about it? These are just some of the questions addressed in **Finding Jesus among Muslims**, an urgent new book from author **Jordan Denari Duffner**. Drawing from church teaching, the stories of saints and martyrs, and her extensive personal experiences living among Muslims in both the United States and the Middle East, Duffner explains why all Christians are called to participate in a “dialogue of life” with Muslims. Her intelligent and fresh approach makes Duffner a welcome voice on some of the most important social and religious questions of our day.

How Muslims Love Christ More Than Christians

Unveiling The True Identity of Jesus Christ

Irrefutable Proof That Allah Is Our Creator, Jesus Christ Is His Messenger, the Message of Jesus Christ and the Gospel Was Tampered with After His Departure, and Muslims are the True Followers of Jesus Christ

The Sincere Seeker While Islamic theology differs from Christianity's, Muslims and Christians hold Jesus Christ in high esteem. He is a central figure in both religions, loved, admired, respected, and revered. Both Muslims and Christians believe in Jesus' virgin birth, ability to perform miracles and return at the end of time. However, both religions differ in Christ's nature and life occurrences. While Christians accept Jesus Christ as the divine Son of God, Muslims take him as a human and one of God's mighty noble Messengers sent to relay God's Message to his people, just as many past Prophets did. This book encourages Christians and non-Muslims alike to cross-examine what the Bible and Jesus Christ state about God, His message to humanity, the nature of Jesus Christ, and related concepts. If done sincerely, one should conclude that neither Jesus Christ nor the Bible teaches what the Church teaches today. One concludes that Jesus Christ and the Bible never mention Jesus Christ as the Son of God, part of the Trinity, nor did they teach the concepts of crucifixion, redemption, or permission to abandon the law of the Prophet Moses PBUH. Many well-intentioned Christians follow modern Christianity, a corrupted version of the teachings of Jesus Christ - those he never

preached nor taught. This book provides irrefutable proof from the Bible and common logic that Allah is our Creator, and Jesus Christ was a Muslim and human Prophet sent to the nation before us, the Children of Israel. It provides irrefutable evidence from the Bible that the Revelation of Jesus Christ was tampered with by humans after his departure and that the Bible we read today is not the inspired Word of God. One must use their God-given gift of intellect and logic to investigate, ponder, and reflect without allowing their emotions and cultural biases to cloud their judgment, blindly following their Church. To my dear Christian, you must research and know the reality of Jesus Christ and his message so you may be guided to God, enter Paradise eternally, and avoid the ultimate punishment. Topics in the book include: Understanding the Concept of God Sending Messengers to Relay His Message Basic Understanding of the Similarities and Differences Between Islam, Christianity, & Judaism Who is Allah? Whom Are Jesus Christ and Mary PBUH? Whom Was Jesus Christ Sent to Address? What Was His Mission? Did He Come with a New Law as Christians Claim? Is Jesus God, Son of God, or Prophet of God? What does the Bible Say? Trinity Crucial Differences Between God & Jesus Christ Who is the Author of the Bible? Does the Bible Contain Errors & Contradictions? Pornography, Incest, & Immorality in the Bible Is Jesus Christ God Because He was Born With no Father? Christians Claim Jesus Christ is Divine, and his Ability to Perform Miracles is Proof The Bible Labels Jesus Christ as 'The Son of God' Son of Man' 'Lord' 'His Servant' 'The Father and I are one' 'In the beginning was the Word, and the Word was with God....' 'For There are Three That Bear Record in Heaven' The Word 'Begotten' in the Bible 'I am the way and the truth and the life' The Role of Paul in Christianity and How He Destroyed the Teachings of Jesus Christ Paganism on Christianity Atonement Was Jesus Christ Crucified? Sharing Jesus with Muslims

A Step-by-Step Guide

Zondervan A practical starting point for Christians to share the hope of Jesus with Muslims. Since September 11th, 2001, relationships between Christians and Muslims have been defined by fear. Increasing violence in the Middle East

But the Bible provides clear instruction to move past fear and share the Gospel with all peoples, including Muslims. Every Christian can be an ambassador of Christ to Muslims, even without becoming an expert on Islam. In *Sharing Jesus with Muslims*, Fouad Masri encourages Christians to set aside fear, excuses, and differences and share the good news of Jesus. Rich with stories and conversation starters, the book gives readers tangible and respectful ways to initiate friendships and minister to the felt needs of Muslims. *Sharing Jesus with Muslims* serves as a step-by-step guide for effective witnessing, and includes: Conversation starters Insight into Muslim culture, including do's and don'ts Biblical responses to issues relevant to Islam Stories with practical application from Masri's forty years of ministry to Muslims Discipleship materials for ministering to Muslims Void of judgement or guilt trips, pastors, ministry leaders, and everyday Christians will find their relationships with Muslims enhanced by the principles in this book. Jesus in Muslim-Christian Conversation

Wipf and Stock Publishers Jesus is a revered messenger of God for Muslims and Lord and Savior for Christians. How can Muslims and Christians relate to each other when this figure from the past attracts them yet drives them apart? Jesus is the very center of the Christian faith, but for Muslims he is a faithful witness to God, who is central to Islam. In the

twenty-first century, is it possible for Muslims and Christians to relate to each other around him? This book is an attempt to bring together two representative voices from Muslim and Christian communities to talk about Jesus. Ibrahim is a Sunni Sufi Muslim who has studied Christianity and has been active as an academic in the Western world. Paul is an Evangelical Protestant who has lived in the Muslim world and has been engaged in teaching religious studies in the West. The conversation begins with the conception of Jesus and ends with his return from heaven and deals with his earthly work in between. His miraculous activity, his teaching, and the titles he has been given are considered in detail, and differences over the ending of Jesus' life are debated.

Jesus and Jihad

Reclaiming the Prophetic Heart of Christianity and Islam

Wipf and Stock Publishers Few words inspire more fear in Americans these days than jihad. Its mere utterance conjures up images of car bombs exploding in crowded markets; Boeing 737s crashing into tall buildings; and flag-burning, gun-toting bearded Arab men shouting, "allahu akbar" and "Death to America!" But what if all our stereotypical images of jihad are wrong, and when rightly understood, jihad turns out to be the perfect lens through which to understand the life and mission of Jesus? *Jesus and Jihad* argues that in early Muslim sources jihad stood for the struggle to transform a violent and unjust pre-Islamic society into one characterized by greater levels of justice and peace. When rescued from his Christian pietistic misinterpretations, Jesus emerges as a highly prophetic figure of

resistance to the injustices authorized by Roman imperial power. As Muslims reengage an authentic understanding of jihad, and Christians, through a renewed understanding of jihad, meet the prophetic Jesus from whom they have become estranged, a new era of Christian-Muslim cooperation in the struggle against injustice can become the norm, replacing the current antipathy dividing these communities with a passion to reclaim once again a prophetic heart in service to a hurting world.

Jesus and the Qur'An

Jesus Christ Is Above All.

WestBow Press My advice is as follows: the Quran is the guide and the weapon of Muslims. Through the 114 Suras and 6,247 verses of the Quran, Muslims must well-handle this guide, this weapon, to combat their ignorance of the divine truth. This truth will set them free and will help them to find the path of salvation. After death, the body remains on earth and the soul joined God Almighty through a single door to be judged. And everyone, particularly my Muslim brothers and sisters, must seek and find that single door in order to save his own soul. Being a suspension of spermatozoon, do not challenge God the Father and obey his holy Word. My prayer goes to all people who will read and trust this book. And I encourage everyone to do their own research in order to find the divine truth from God the Father.

The True Revelation of Jesus Christ

To the Muslim, the Athiest, the Jew and a Light to the Christian World

AuthorHouse This book is written to assist Jews, Muslims, atheists and mostly Christians in gaining a more comprehensive and accurate knowledge and understanding about Jesus Christ. The overwhelming weight of evidence placed on Jesus in this work as Lord and Savior of the universe is far greater than what the Quran narrates or what the Jew can accommodate. The evidence is so strong and so clear, that it gives understanding to the atheist and boosts up the knowledge of the reader about Jesus Christ, who is 100 percent man and 100 percent God. The journey from the original plan of God for man to the end of time is explained with examples of incompatibility between the Bible and the Quran. Thus, the reader is brought to a deeper knowledge of the Biblical inerrancy concerning the Godhead of the Bible and the great rescue plan of the Creator of the universe through Jesus Christ. You will find thrilling information which will kick your socks off and keep your mind and spirit in balance as you continue to read. I would say it is food for thought to change your life for the better.

Where to Start with Islam

A New Approach to Engaging with Muslim Friends

Samuel Green has spent more than two decades speaking with Muslims and finding out what they are taught about Jesus and his followers: that Jesus wasn't crucified, the Bible is corrupted, and the Trinity is the weak point you won't be able to explain. He has also come to realize that their book, the Qur'an, makes claims about Christianity and history that simply aren't true. Where to Start with Islam will equip you to understand and address these assumptions and know where to start as you seek to present your Muslim friends with Christ and share with them about his wonderful gift of salvation.

Woman to Woman

Sharing Jesus with a Muslim Friend

Baker Books Like many women in the Church, Joy Loewen didn't fully understand Muslim women or their roles in the Muslim culture and religion. In fact, she was afraid of them and not particularly interested in befriending them. But with prayer, wisdom, and a lot of love, Joy overcame these obstacles, found that she actually liked them, and that many of these women are irresistibly attracted to the love of Jesus. For the last thirty years she has used this

knowledge to build authentic connections with Muslim women, reaching out to them in a sensitive, effective way. In this practical and very personal book, Joy shares not only her insights into befriending Muslim women, but many helpful stories from her own experiences. Her goal is to help readers "move from fear to love and compassion" so that they, too, can love as Christ does. *Woman to Woman* is essential reading for Christian leaders, ministries, and any layperson who wants to grow in love for and understanding of Muslims.

Jesus and the Incarnation

Reflections of Christians from Islamic Contexts

OCMS *Jesus and the Incarnation Reflections of Christians from Islamic Contexts* In the dialogues of Christians with Muslims nothing is more fundamental than the Cross, the Incarnation and the Resurrection of Jesus. An open and honest conversation on these is a necessity as Christians all over the world meet with Muslims on a daily basis. Building on the volume on the Cross, published in 2009, this book contains voices of Christians living in various 'Islamic contexts' and reflecting on the Incarnation of Jesus. The aim of these reflections is constructive and the hope is that the papers weaved around the notion of 'the Word' will not only promote dialogue among Christians on the roles of the Person and the Book but, also, create a positive environment for their conversations with Muslim neighbors.

Sharing Jesus with Muslims in America

Createspace Independent Publishing Platform The Muslim population in the United States is growing quickly, and there are no signs of this growth slowing down. So how should Christians respond? With fear? With tolerance? By ignoring Muslims? Or with boldness, hope, and the Good News of Jesus Christ, clearly the biblical answer. For centuries the church did not go to Muslims with the gospel because Christians thought it was too dangerous or too difficult. Now God is bringing Muslims to America where Christians can lead them to Christ. But when I share this opportunity with

churches around the country, I'm asked, "But how? How do I meet Muslims? How can my church make the connections?" This book seeks to answer those questions and more. If you are a Christian, I hope you will open your heart to God's plan for Muslims in your community. You can start by reading this book.

Seeking Allah, Finding Jesus

A Devout Muslim Encounters Christianity

Zondervan NEW YORK TIMES BESTSELLER • 2015 Christian Book Award winner • Nabeel Qureshi describes his dramatic journey from Islam to Christianity in this expanded edition with new bonus content and reflections. "My friend Nabeel Qureshi was courageous enough to chase down the truth with intellectual integrity, no matter the personal cost," --Lee Strobel, bestselling author of The Case for Christ. Providing an intimate view into a loving Muslim home, Qureshi shares how he developed a passion for Islam before discovering, almost against his will, evidence that Jesus rose from the dead and claimed to be God. Unable to deny the arguments but not wanting to deny his family, Qureshi struggled with an inner turmoil that will challenge Christians, Muslims, and all those who are interested in two of the world's greatest religions and the quest for truth. Qureshi--with great courage and intimacy--wrote this book with three major purposes in mind: To tear down walls between two of the world's major religions by giving non-Muslim readers an insider's perspective into a Muslim's heart and mind. To equip the reader with facts and knowledge, showing the strength of the case for the gospel contrasted with the case for Islam. To portray the immense inner struggle of Muslims grappling with the gospel, including all the sacrifices and doubts that rise up along the way. Seeking Allah, Finding Jesus is more than the memoir of a man's pursuit of answers to the most important issues of life and faith. Ultimately, it's the story about the transformative grace and mercy of the one true God. This edition has been expanded to include: A revised foreword and introduction A new afterword by apologist Mark Mittelberg and a reflection by Nabeel's wife A substantially extended epilogue that shares how Nabeel told his friend David of his decision to follow Christ, how his parents found out, and more Expert contributions from scholars and ministry leaders on each section of the book, contributions previously included only in the ebook edition An appendix with a topical table of contents (for teaching from Seeking Allah, Finding Jesus) An appendix tackling the objection that Ahmadi Muslims--the Islamic movement that Qureshi was raised in--are not true Muslims And a sneak peek prologue from

History Speaks of a Human Messiah Not a Divine Christ

Tracing Jesus in the Bible and the Quran

GRIN Verlag Doctoral Thesis / Dissertation from the year 2003 in the subject Theology - Comparative Religion Studies, grade: cum laude, Concordia University Montreal (Concordia Theologica Institute; Neffs, Penns., USA), language: English, abstract: This paper sets out to examine the presence of Jesus Christ as presented in the Holy Quran. This is presented from the perspective of a twentieth century African Christian after an objective reading of the Holy Quran and some Hadith literature. Jesus comes through as a prophet and messenger of Allah, with whom Allah has established unique relationship and about whom the last word is not yet spoken. The Quran comes through as a great defender of what it reveals as the true nature and identity of Jesus, against different and conflicting misrepresentations of Jesus by rival Christian groups. The Quran presents a Jesus in whom Allah is greatly interested. Allah identifies and prepares Mary the mother of Jesus and entrusts her to the care of Zachariah. Allah gives a gift of a son to Zachariah in their old age; this son is John and called "Yahya" in the Quran. Allah then gives a Word from Himself to Mary. This word from Allah given to Mary becomes Jesus a son born of a virgin mother. Allah himself through the ministry of Angels and nature arranges for and takes care of Mary's confinement and post-delivery care till Allah presents her back to her people with her infant son Jesus who as an infant miraculously spoke in defense of his mother. The Quran presents a Jesus who delivers a message to the children of Israel only. A Jesus who performs miracles and a Jesus who is rescued by Allah from the threat of being crucified by the Jews Allah takes Jesus unto Himself and before the day of judgement Jesus will come to do the will of Allah. After reading all the references of Jesus in the Quran, one develops an interest in this Prophet and Messenger of Allah and asks many questions about him. However, the Quran is silent. This silence of the Quran about so much historical information about Jesus becomes very loud and problematic. The quotations from the Holy Quran in this paper are from Ali, Abdullah Yusuf: The Holy

Quran: Arabic Text, Translation and Commentary, University of New York Press, 1991. The purpose of this paper is:- 1. Trace Jesus in the Holy Quran 2. Compare and contrast the Jesus in the Quran and the Bible 3. Help Christian to understand Islam Religion and being able to answer the basic system of doctrine of a Muslim. 4. Have a picture of Jesus through the eyes of a Muslim and a Christian.

The Islamic Jesus

The Portrait of Jesus in Islamic Literature and Tradition

iUniverse The religion founded by Mohammad gives primacy to the patriarchs Abraham, Isaac, Jacob and Moses, and, although it may be a surprise to many Christians, considers Jesus one of the prominent religious figures of Islam. The Islamic Jesus is a book for all those who are interested in Christology, in which Daniel Deleanu brings together both canonical and traditional Islamic texts, adding a new facet to the image of Jesus in this often misunderstood religion. Deleanu shows that there are substantial discrepancies between the canonical and the apocryphal portraits of Jesus in Islam. Alongside the authoritative Koranic stories of Jesus, this anthology presents traditional accounts from the Hadith and other less known sources, whom Daniel Deleanu has collected and co-translated to produce a genuine Islamic gospel.

Ex-Muslim

How One Daring Prayer to Jesus Changed a Life Forever

Thomas Nelson Jesus revealed himself to a young, brash, Pakistani Muslim. But he didn't just reveal himself; he turned Naeem Fazal's world upside down. Moving from Kuwait to Charleston, South Carolina, had been an adventure. Surrendering his life to Jesus Christ was actual treason. And yet, Jesus brought Fazal the most powerful peace he had ever experienced: "It filled the room. It grew roots in my heart and in my soul. It intoxicated me." In this riveting memoir, Fazal describes how God used extraordinary means to bring a young, underachieving, Muslim immigrant

through Desert Storm, across the oceans, into college, and ultimately to pastor a Christian church in North Carolina. He demonstrates that no character flaw, no distance, no cultural chasm is too great for Jesus to reach across. Fazal is candid about his shortcomings, practical about the challenges of cross-cultural engagement, and ultimately inspiring that God is capable of far more than we have grown to expect. He says, "Jesus consistently, stubbornly refuses to limit himself to my expectations. Which makes getting to know him an unfolding adventure of epic proportions." Whether you are a Muslim, Christian, or neither, Ex-Muslim makes a compelling case that life with Jesus Christ is a true adventure.

A Wind in the House of Islam

How God is Drawing Muslims Around the World to Faith in Jesus Christ

Wigtake Resources LLC A Wind in the House of Islam investigates the phenomenon of millions of Muslims who are turning to faith in Jesus Christ today. Over the course of Islamic history tens of millions of Christians were absorbed into the House of Islam. But what about the opposite? Have there ever been movements of Muslim communities who voluntarily turned to Jesus Christ and were baptized? The first 13 centuries of Islam's history saw only three movements numbering at least a thousand Muslims turning to Christianity, apart from those that were coerced through wars, Crusades and Inquisitions. Today, the story is changing. Over the past two decades there have been 69 additional movements of Muslims to Christ scattered across the Muslim world from West Africa to Indonesia. In an unprecedented global survey, Dr. David Garrison, Ph.D. University of Chicago, traveled a quarter-million miles throughout the House of Islam to find out why and how this is happening today. His research took him into every corner of the Muslim world where he gathered more than a thousand interviews of Muslim-background followers of Jesus Christ. His core question: What did God use to bring you to faith in Jesus Christ? A Wind in the House of Islam reveals their stories, and David Garrison's journey through all nine Rooms in the House of Islam, where he discovered that the Wind of God's Spirit is blowing through every one of them. A Wind in the House of Islam is a 328-page book written in an engaging style, but also includes a glossary of Islamic terms, a bibliography for further reading, endnotes, 11 maps with data tables of Muslim populations, 46 photographs, and excerpts from more than a thousand interviews. Each of the book's 15 chapters conclude with discussion questions to facilitate small group dialogue and discovery. Learn more about the book at: www.WindintheHouse.org
